### § 401.200 Blood donor locator service.

(a) *General.* We will enter into arrangements with State agencies under which we will furnish to them at their request the last known personal mailing addresses (residence or post office box) of blood donors whose blood donations show that they are or may be infected with the human immunodeficiency virus which causes acquired immune deficiency syndrome. The State agency or other authorized person, as defined in paragraph (b) of this section, will then inform the donors that they may need medical care and treatment.
