

amount of the augmentation in benefits attributable to him, the Administration shall apply the standards pertaining to representative payment in §§ 410.581 through 410.590, and the instructions issued pursuant thereto.

(d) When the Administration determines (see § 410.610(m)) that the amount of a miner's benefit attributable to the miner's wife or child should be certified for separate payment to a person other than such miner, or that the amount of a widow's benefit attributable to such widow's child should be certified for separate payment to a person other than the widow, and the miner or widow disagrees with such determination and alleges that separate certification is not in the best interest of such dependent, the Administration shall reconsider that determination (see §§ 410.622 and 410.623).

(e) Any payment made under this section, if otherwise valid under the Act, is a complete settlement and satisfaction of all claims, rights, and interests in and to such payment.

§ 410.515 Modification of benefit amounts; general.

Under certain conditions, the amount of monthly benefits as computed in § 410.510 must be modified to determine the amount actually to be paid to a beneficiary. A modification of the amount of a monthly benefit is required in the following instances:

(a) *Reduction.* A reduction from a beneficiary's monthly benefit may be required because of:

(1) In the case of benefits to a miner, parent, brother, or sister, the excess earnings from wages and from net earnings from self-employment (see § 410.530) of such miner, parent, brother, or sister, respectively; or

(2) Failure to report earnings from work in employment and self-employment within the prescribed period of time (see § 410.530); or

(3) The receipt by a beneficiary of payments made because of the disability of the miner due to pneumoconiosis under State laws relating to workmen's compensation (including compensation for occupational dis-

ease), unemployment compensation, or disability insurance (see § 410.520).

(4) The fact that a claim for benefits from an additional beneficiary is filed, or that such a claim is effective for a month prior to the month of filing (see § 410.535), or a dependent qualifies under subpart C of this part for an augmentation portion of the benefit of a miner or widow for a month for which another dependent has previously qualified for an augmentation (see § 410.536).

(b) *Adjustment.* An adjustment in a beneficiary's monthly benefit may be required because an overpayment or underpayment has been made to such beneficiary (see §§ 410.560, 410.570, and 410.580).

(c) *Nonpayment.* No benefits under this part are payable to the residents of a State which reduces its payments made to beneficiaries pursuant to certain State laws (see § 410.550).

(d) *Suspension.* A suspension of a beneficiary's monthly benefits may be required when the Administration has information indicating that reductions on account of the miner's excess earnings (based on criteria in section 203(b) of the Social Security Act, 42 U.S.C. 403(b)) may reasonably be expected.

(e) *"Rounding" of benefit amounts.* Monthly benefit rates are payable in multiples of 10 cents. Any monthly benefit rate which, after all applicable computations, augmentations, and/or reductions is not a multiple of 10 cents, is increased to the next higher multiple of 10 cents. Since a fraction of a cent is not a multiple of 10 cents a benefit rate which contains such a fraction in the third decimal is raised to the next higher multiple of 10 cents.
