§ 416.2090 State funds transferred for supplementary payments.

(a) *Payment transfer and adjustment.*

(1) Any State which has entered into an agreement with SSA which provides for Federal administration of such State's supplementary payments shall transfer to SSA:

(i) An amount of funds equal to SSA's estimate of State supplementary payments for any month which shall be made by SSA on behalf of such State; and

(ii) An amount of funds equal to SSA's estimate of administration fees for any such month determined in the manner described in § 416.2010(b)(1); and

(iii) If applicable, an amount of funds equal to SSA's determination of the costs incurred by the Federal government in furnishing additional services for the State as described in § 416.2010(b)(2).

(2) In order for SSA to make State supplementary payments on behalf of a State for any month as provided by the agreement, the estimated amount of State funds referred to in paragraph (a)(1)(i) of this section, necessary to make those payments for the month, together with the estimated amount of administration fees referred to in paragraph (a)(1)(ii) of this section, for that month, must be on deposit with SSA on the State supplementary payment transfer date, which is the fifth Federal business day following the day in the month that the regularly recurring monthly supplemental security income payments are issued. The additional services fee referred to in paragraph (a)(1)(iii) of this section shall be on deposit with SSA on the date specified by SSA. The amount of State funds paid to SSA for State supplementary payments and the amount paid for administration fees will be adjusted as necessary to maintain the balance with State supplementary payments paid out by SSA on behalf of the State, and administration fees owed to SSA, respectively.

(b) *Accounting of State funds.* (1) As soon as feasible, after the end of each calendar month, SSA will provide the State with a statement showing, cumulatively, the total amounts paid by SSA on behalf of the State during the current Federal fiscal year; the fees charged by SSA to administer such supplementary payments; any additional services fees charged the State; the State's total liability therefore; and the end-of-month balance of the State's cash on deposit with SSA.

(2) SSA shall provide an accounting of State funds received as State supplementary payments, administration fees, and additional services fees, within three calendar months following the termination of an agreement under § 416.2005.

(3) Adjustments will be made because of State funds due and payable or amounts of State funds recovered for calendar months for which the agreement was in effect. Interest will be incurred by SSA and the States with respect to the adjustment and accounting of State supplementary payments funds in accordance with applicable laws and regulations of the United States Department of the Treasury.

(c) *State audit.* Any State entering into an agreement with SSA which provides for Federal administration of the State's supplementary payments has the right to an audit (at State expense) of the payments made by SSA on behalf of such State. The Secretary and the State shall mutually agree upon a satisfactory audit arrangement to verify that supplementary payments paid by SSA on behalf of the State were made in accordance with the terms of the administration agreement under § 416.2005. Resolution of audit findings shall be made in accordance with the provisions of the State's agreement with SSA.

(d) *Advance payment and adjustment not applicable.* The provisions of paragraphs (a) and (b) of this section shall not apply with respect to any State supplementary payment for which reimbursement is available from the Social and Rehabilitation Service pursuant to the Indochina Migration and Refugee Assistance Act of 1975 (Pub. L. 94-23; 89 Stat. 87), as amended, since

such amounts are not considered to be State supplementary payments.

§ 416.2095 Pass-along of Federal benefit increases.

(a) *General.* This section and the four sections that follow describe the rules for passing along increases in the Federal SSI benefit to recipients of State supplementary payments.

(1) Section 416.2095(b) indicates when the pass-along rules apply to State supplementary payments.

(2) Section 416.2096 describes the basic pass-along rules. The States must have an agreement to “pass-along” increases in Federal SSI benefits. A State passes along an increase when it maintains (rather than decreases) the levels of all its supplementary payments after a Federal benefit increase has occurred. Generally, a pass-along of the increase permits recipients to receive an additional amount in combined benefits equal to the Federal benefit increase. Except for the supplementary payment level made to residents of Medicaid facilities (see § 416.2096(d)), a State can decrease one or more of its payment levels if it meets an annual total expenditures test.

(3) Section 416.2097 explains the required combined supplementary/SSI payment level.

(4) Section 416.2098 explains how to compute the March 1983, December 1981, and December 1976 supplementary payment levels.

(5) Section 416.2099 discusses what information a State must provide to the Commissioner concerning its supplementation programs so that the Commissioner can determine whether the State is in compliance. That section also discusses the basis for findings of noncompliance and what will occur if a State is found out of compliance.

(b) *When the pass-along provisions apply.* (1) The pass-along requirements apply to all States (and the District of Columbia) that make supplementary payments on or after June 30, 1977, and wish to participate in the Medicaid program.

(2) The pass-along requirements apply to both optional State supplementary payments of the type described in § 416.2001(a) and mandatory minimum State supplementary payments as described in § 416.2001(c), whether or not these State supplementary payments are Federally administered.

(3) The requirements apply to State supplementary payments both for recipients who receive Federal SSI benefits and those who, because of countable income, receive only a State supplementary payment.

(4) The requirements apply to State supplementary payments for recipients eligible for a State supplementary payment on or after June 30, 1977.

(5) Supplementary payments made by a State include payments made by a political subdivision (including Indian tribes) where—

(i) The payment levels are set by the State; and

(ii) The payments are funded in whole or in part by the State.

§ 416.2096 Basic pass-along rules.

(a) *State agreements to maintain supplementary payment levels.* (1) In order to be eligible to receive Medicaid reimbursement, any State that makes supplementary payments, other than payments to residents of Medicaid facilities where Medicaid pays more than 50 percent of the cost of their care (see paragraph (d) of this section for definition of Medicaid facility and § 416.414 for discussion of the reduced SSI benefit amount payable to residents of Medicaid facilities), on or after June 30, 1977, must have in effect an agreement with the Commissioner. In this agreement—

(i) The State must agree to continue to make the supplementary payments;

(ii) For months from July 1977 through March 1983, the State must agree to maintain the supplementary payments at levels at least equal to the December 1976 levels (or, if a State first makes supplementary payments after December 1976, the levels for the first month the State makes supplementary payments). For months in the period
