

with the third month following the month in which the notice of the decision is received by the appropriate Regional Commissioner (SSA). The notice of the State decision must be submitted by an official authorized to act for the State for this purpose. A State must provide to the appropriate Regional Commissioner (SSA) an opinion from the State's Attorney General, verifying the authority of the official who sent the notice to act for the State. This opinion will not be necessary if the notice is signed by the Governor of the State.

(2)(i) If a State has decided not to participate through its VR agency(ies), we may arrange for VR services through an alternate participant(s) for disabled or blind recipients in the State.

(ii) If a State has decided to limit participation of its VR agency(ies) to a certain class(es) of disabled or blind recipients, we may arrange for VR services through an alternate participant(s) for the class(es) of disabled or blind recipients in the State excluded from the scope of the State's participation.

(3) A State which has decided not to participate or to limit participation may participate later through its VR agency(ies) in accordance with paragraph (c) of this section, provided that such participation will not conflict with any previous commitment which we may have made to an alternate participant(s) under paragraph (e)(2) of this section. A State which decides to resume participation under paragraph (c) of this section must provide advance written notice of that decision to the appropriate Regional Commissioner (SSA). Unless a commitment to an alternate participant(s) requires otherwise, a decision of a State to resume participation under paragraph (c) of this section will be effective beginning with the third month following the month in which the notice of the decision is received by the appropriate Regional Commissioner (SSA) or, if later, with a month specified by the State. The notice of the State decision must be submitted by an official authorized to act for the State as explained in paragraph (e)(1) of this section.

(f) *Use of alternate participants.* The Commissioner, by written agreement or contract, may arrange for VR services through an alternate participant(s) for any disabled or blind recipient in the State with respect to whom the State is unwilling to participate through its VR agency(ies). In such a case, we may refer the recipient to such alternate participant for necessary VR services. The Commissioner will find that a State is unwilling to participate with respect to any of the following disabled or blind recipients in that State:

(1) A disabled or blind recipient whom we referred to a State VR agency under paragraph (c) or (d) of this section if we do not receive a notice within the stated time period under paragraph (c)(2)(i) of this section of a decision by the VR agency either to accept the recipient as a client for VR services or to place the recipient into an extended evaluation process;

(2) A disabled or blind recipient with respect to whom we receive a notice under paragraph (c)(2)(ii) of this section of a decision by the VR agency not to accept the recipient as a client for VR services following the completion of the extended evaluation;

(3) The class(es) of disabled or blind recipients excluded from the scope of the State's participation if the State has decided to limit participation of its VR agency(ies); and

(4) All disabled or blind recipients in the State if the State has decided not to participate through its VR agency(ies).

§416.2206 Basic qualifications for alternate participants.

(a) *General.* We may arrange for VR services through an alternate participant by written agreement or contract as explained in §416.2204(f). An alternate participant may be a public or private agency, organization, institution or individual (that is, any entity whether for-profit or not-for-profit), other than a State VR agency.

(1) An alternate participant must—

(i) Be licensed, certified, accredited, or registered, as appropriate, to provide VR services in the State in which it provides services; and

(ii) Under the terms of the written contract or agreement, have a plan similar to the State plan described in § 416.2204(a) which shall govern the provision of VR services to individuals.

(2) We will not use as an alternate participant any agency, organization, institution, or individual—

(i) Whose license, accreditation, certification, or registration is suspended or revoked for reasons concerning professional competence or conduct or financial integrity;

(ii) Who has surrendered such license, accreditation, certification, or registration pending a final determination of a formal disciplinary proceeding; or

(iii) Who is precluded from Federal procurement or nonprocurement programs.

(b) *Standards for the provision of VR services.* An alternate participant's plan must provide, among other things, that the provision of VR services to individuals will meet certain minimum standards, including, but not limited to, the following:

(1) All medical and related health services furnished will be prescribed by, or provided under the formal supervision of, persons licensed to prescribe or supervise the provision of these services in the State;

(2) Only qualified personnel and rehabilitation facilities will be used to furnish VR services; and

(3) No personnel or rehabilitation facility described in paragraph (a)(2)(i), (ii), or (iii) of this section will be used to provide VR services.
