## § 416.2217

### § 416.2215 When services must have been provided.

(a) In order for the VR agency or alternate participant to be paid, the services must have been provided—

(1) After September 30, 1981;

(2) During a month(s) for which—

(i) The individual is eligible for disability or blindness benefits or continues to receive such benefits under section 1631(a)(6) of the Act (see § 416.2212); or

(ii) The disability or blindness benefits of the individual are suspended due to his or her ineligibility for the benefits (see subpart M of this part concerning suspension for ineligibility); and

(3) Before completion of a continuous 9-month period of SGA or termination of disability or blindness benefits, whichever occurs first (see subpart M of this part concerning termination of benefits).

(b) If an individual who is receiving disability or blindness benefits under this part, or whose benefits under this part are suspended, also is entitled to disability benefits under part 404 of this chapter, the determination as to when services must have been provided may be made under this section or § 404.2115 of this chapter, whichever is advantageous to the State VR agency or alternate participant that is participating in both VR programs.

The State VR agency or alternate participant must file a claim for payment in each individual case within the following time periods:

(b) A claim for payment for VR services provided to an individual whose disability or blindness benefits were continued after disability or blindness has ceased because of that individual's continued participation in a VR program must be filed as follows:

(1) If a written notice requesting that a claim be filed was sent to the State VR agency or alternate participant, a claim must be filed within 90 days following the month in which VR services end, or if later, within 90 days after receipt of the notice.

(2) If no written notice was sent to the State VR agency or alternate participant, a claim must be filed within 12 months after the month in which VR services end.

(c) A claim for payment based on an individual's refusal, without good cause, to continue or cooperate in a VR program must be filed—

(1) Within 90 days after the VR agency or alternate participant receives our written request to file a claim for payment; or

(2) If no written notice was sent to the State VR agency or alternate participant, a claim must be filed within 12 months after the first month for which disability or blindness benefits are suspended because of such VR refusal.

### § 416.2217 What costs will be paid.

In accordance with section 1615 (d) and (e) of the Social Security Act, the Commissioner will pay the State VR agency or alternate participant for the VR services described in § 416.2214 which were provided during the period described in § 416.2215 and which meet the criteria in § 416.2211, § 416.2212, or § 416.2213, but subject to the following limitations:

(a) The cost must have been incurred by the State VR agency or alternate participant;

(b) The cost must not have been paid or be payable from some other source. For this purpose, State VR agencies or alternate participants will be required to seek payment or services from other sources in accordance with the "similar benefit" provisions under 34 CFR part 361, including making maximum efforts to secure grant assistance in whole or part from other sources for training or training services in institutions of higher education. Alternate participants will not be required to consider State VR services a similar benefit.

## §416.2218

## 20 CFR Ch. III (4-1-01 Edition)

(c)(1) The cost must be reasonable and necessary, in that it complies with the written cost-containment policies of the State VR agency or, in the case of an alternate participant, it complies with similar written policies established under a negotiated plan. A cost which complies with these policies will be considered necessary only if the cost is for a VR service described in §416.2214. The State VR agency or alternate participant must maintain and use these cost-containment policies, including any reasonable and appropriate fee schedules, to govern the costs incurred for all VR services, including the rates of payment for all purchased services, for which payment will be requested under this subpart. For the purpose of this subpart, the written cost-containment policies must provide guidelines designed to ensure—

(i) The lowest reasonable cost for such services; and

(ii) Sufficient flexibility so as to allow for an individual's needs.

(2) The State VR agency shall submit to us before the end of the first calendar quarter of each year a written statement certifying that cost-containment policies are in effect and are adhered to in procuring and providing goods and services for which the State VR agency requests payment under this subpart. Such certification must be signed by the State's chief financial official or the head of the VR agency. Each certification must specify the basis upon which it is made, e.g., a recent audit by an authorized State, Federal or private auditor (or other independent compliance review) and the date of such audit (or compliance review). In the case of an alternate participant, these certification requirements shall be incorporated into the negotiated agreement or contract. We may request the State VR agency or alternate participant to submit to us a copy(ies) of its specific written cost-containment policies and procedures (e.g., any guidelines and fee schedules for a given year), if we determine that such additional information is necessary to ensure compliance with the requirements of this subpart. The State VR agency or alternate participant shall provide such information when requested by us.

(d) The total payment in each case, including any prior payments related to earlier continuous 9-month periods of SGA made under this subpart, must not be so high as to preclude a "net saving" to the general funds (a "net saving" is the difference between the estimated savings to the general fund, if payments for disability or blindness remain reduced or eventually terminate, and the total amount we pay to the State VR agency or alternate participant);

(e) Any payment to the State VR agency for either direct or indirect VR expenses must be consistent with the cost principles described in OMB Circular No. A-87, published at 46 FR 9548 on January 28, 1981 (see §416.2218(a) for cost principles applicable to alternate participants);

(f) Payment for VR services or costs may be made under more than one of the VR payment provisions described in §§416.2211 through 416.2213 of this subpart and similar provisions in §§404.2111 through 404.2113 of subpart v of part 404. However, payment will not be made more than once for the same VR service or cost. For example, payment to a VR agency based upon the completion of a continuous 9-month period of SGA which was made after an earlier payment based upon VR refusal, would only include payment for those VR costs incurred or services provided after the individual resumed VR services after refusal; and

(g) Payment will be made for administrative costs and for counseling and placement costs. This payment may be on a formula basis, or on an actual cost basis, whichever the State VR agency prefers. The formula will be negotiated. The payment will also be subject to the preceding limitations.
