

## § 416.584

(c) If the findings referred to in paragraph (a) of this section affirm that all or part of the overpayment is past due and legally enforceable and, if waiver is requested and we determine that the request cannot be granted, we will refer the overpayment to the Department of the Treasury. However, no referral will be made if, based on our review of the overpayment, we reverse our prior finding that the overpayment is past due and legally enforceable or, upon consideration of a waiver request, we determine that waiver of our collection of the overpayment is appropriate.

### § 416.601 Introduction.

(a) *Explanation of representative payment.* This subpart explains the principles and procedures that we follow in determining whether to make representative payment and in selecting a representative payee. It also explains the responsibilities that a representative payee has concerning the use of the funds he or she receives on behalf of a beneficiary. However, some beneficiaries due to a mental or physical condition or due to their youth may be unable to do so.
