**Subpart E—Relief from Interest Payment**

**§ 606.40 May/September delay.**

Subsection (b)(3)(B) of section 1202 of the Social Security Act permits a State to delay payment of interest accrued on advances made during the last five months of the Federal fiscal year (May, June, July, August, and September) to no later than December 31 of the next succeeding calendar year. If the payment is delayed, interest on the delayed payment will accrue from the normal due date (i.e., September 30) and in the same manner as if the interest due on the advance(s) was an advance made on such due date. The Governor of a State which has decided to delay such interest payment shall notify the Secretary of Labor no later than September 1 of the year with respect to which the delay is applicable.

**§ 606.41 High unemployment deferral.**

(a) *Applicability.* Subsection (b)(3)(C) of section 1202 of the Social Security Act permits a State to defer payment of, and extend the payment for, 75 percent of interest charges otherwise due prior to October 1 of a year if the UIS Director determines that high unemployment conditions existed in the State.

(b) *High unemployment defined.* For purposes of this section, high unemployment conditions existed in the State if the State's rate of insured unemployment (as determined for purposes of 20 CFR 615.12) under the State law with respect to the period consisting of the first six months of the preceding calendar year equalled or exceeded 7.5 percent; this means that in weeks 1 (that week which includes January 1 of the year) through 26 of such preceding calendar year, the rate of insured unemployment reported by the State and accepted by the Department under 20 CFR part 615 must have aver-

aged a percentage equalling or exceeding 7.5 percent.

(c) *Schedule of deferred payments.* The State must pay prior to October 1 one-fourth of the interest due, and must pay a minimum of one-third of the deferred amount prior to October 1 in each of the three years following the year in which deferral was granted; at the State's option payment of deferred interest may be accelerated.

(d) *Related criteria.* Timely payment of one-fourth of the interest due prior to October 1 is a precondition to obtaining deferral of payment of 75 percent of the interest due. No interest shall accrue on such deferred interest.

(e) *Application for deferral and determination.* (1) The Governor of a State which has decided to request such deferral of interest payment shall apply to the Secretary of Labor no later than July 1 of the taxable year for which the deferral is requested.

(2) The UIS Director will determine whether deferral is or is not granted on the basis of the Department's records of reports of the rates of insured unemployment and information obtained from the Department of the Treasury as to the timely and full payment of one-fourth of the interest due.

**§ 606.42 High unemployment delay.**

(a) *Applicability.* Paragraph (9) of section 1202 (b) of the Social Security Act permits a State to delay for a period not exceeding nine months the interest payment due prior to October 1 if, for the most recent 12-month period prior to such October 1 for which data are available, the State had an average total unemployment rate of 13.5 percent or greater.

(b) *Delayed due date.* An interest payment delayed under paragraph (9) must be paid in full not later than the last official Federal business day prior to the following July 1; at the State's option payment of delayed interest may be accelerated. No interest shall accrue on such delayed payment.

(c) *Application for delay in payment and determination.* (1) The Governor of a State which has decided to request delay in payment of interest under paragraph (9) shall apply to the Secretary of Labor no later than July 1 of

the taxable year for which the delay is requested.

(2) The UIS Director will determine whether delay is or is not granted on the basis of seasonally unadjusted civilian total unemployment rate data published by the Department's Bureau of Labor Statistics.

**§ 606.43 Maintenance of solvency effort.**

(a) *Applicability.* Legislative-action interest deferrals obtained under subsection (b)(8) (A) through (C) of section 1202 of the Social Security Act are no longer available. Nevertheless, States must maintain their solvency effort with respect to any such deferrals approved in 1983, 1984, and 1985 in order for the deferral to continue to apply in each subsequent year of deferral.

(b) *Determination regarding maintenance of solvency effort.* (1) The UIS Director shall determine if there is a net reduction in solvency effort by first estimating revenue receipts and benefit outlays under the law in effect in the 12-month period ending on September 30 of the year for which continuation of deferral is requested as if it were effective in the base year (12-month period for which the first deferral was granted).

(2) The UIS Director shall then compare revenue receipts and benefit outlays for the base year (previously estimated at the time of the original deferral) with revenue receipts and benefit outlays estimated in paragraph (b)(1) of this section.

(3) If the sum of—

(i) The percentage increase in revenue receipts from the base year to the year for which the continuation of deferral is requested (as estimated in paragraph (b)(1) of this section), and

(ii) The percentage decrease in benefit outlays from the base year to the year for which the continuation of deferral is requested (as estimated in paragraph (b)(1) of this section),

is equal to or greater than the sum of such percentages achieved for the 12-month period ending on September 30 of the year for which the latest deferral was obtained, the State will have maintained its solvency effort, but if less, then a reduction in solvency effort will have occurred.

(4) Notwithstanding the results of the calculation in paragraph (b)(3) of this section, if there is no increase in revenue receipts or no decrease in benefit outlays between the base year and the year for which continuation of deferral is requested, then a reduction in solvency effort will have occurred.

(c) *Effect of determination.* (1) If the UIS Director determines that a State has maintained its solvency effort, continuation of deferral will be granted, and the State will be required to timely pay the deferred interest payable prior to October 1 of the year with respect to which such determination is made.

(2) If the UIS Director determines that a State failed to maintain its solvency effort, all deferred interest shall be due and payable prior to October 1 of the year with respect to which such determination is made.

(d) *Application and information.* (1) The Governor of a State which has decided to request continuation of a previously approved deferral of interest payments shall apply to the Secretary of Labor no later than July 1 of the year for which continuation is requested. The Governor is required to notify the Department on or before September 1 of such taxable year of any action impacting upon the State's application which has occurred or will occur subsequent to the date of the initial application and on or before September 30.

(2) In support of the application by the Governor, there shall be submitted for the purposes of the estimates required in paragraph (b) of this section documentation as specified in § 606.22 (b)(1) through (4), (c) and (f) and bearing upon the application for continuation of deferral, in terms of the relevant comparison between revenue receipts and benefit outlays.

**§ 606.44 Notification of determinations.**

The UIS Director will make determinations under §§ 606.41, 606.42, and 606.43 on or before September 10 of the taxable year, will promptly notify the applicants and the Secretary of the Treasury of such determinations, and will cause notice of such determinations to be published in the FEDERAL REGISTER. The UIS Director also will
