

interest, which is moving any operations from a facility in one labor market area within the United States and its territories to a new or expanding facility in another labor market area. For the purposes of this section, a labor market area is an area within which individuals can readily change employment without changing their place of residence.

(d) *Pre-award review.* To verify that an establishment which is new or expanding is not, in fact, relocating employment from another area, standardized pre-award review procedures developed by the State shall be completed and documented jointly by the service delivery area or substate grantee and the establishment as a prerequisite to JTPA assistance. The review should include names under which the establishment does business, including successors-in-interest; the name, title, and address of the company official certifying the information; the name and address of the facility in the other geographic location which is being closed or from which business is being transferred; a statement from the employer about job losses at that location; the nature of the products or business being transferred; the date the facility will commence or expand operations, and whether JTPA assistance is sought in connection with past or impending job losses at other facilities.

(e) *Violations and sanctions.* The Department will promptly review and take appropriate action with regard to alleged violations of the provisions of paragraphs (a) and (b) of this section. Procedures for the investigation and resolution of the violations are provided for under subpart F of this part. Sanctions and remedies are provided for under subpart G of this part.

§ 627.220 Coordination with programs under title IV of the Higher Education Act including the Pell grant program.

(a) *Coordination.* Financial assistance programs under title IV of the Higher Education Act of 1965, as amended (HEA) (the Pell Grant program, the Supplemental Education Opportunity Grant program, the Work-study pro-

gram, and Federal loan programs such as Federal Perkins Loans, Federal Stafford Loans and Federal Direct Stafford Loans) provide student financial aid and are available to JTPA participants enrolling in postsecondary level education programs. SDA's and title III SSG's shall establish coordination procedures and contractual safeguards to ensure that JTPA funds are used in addition to funds otherwise available in the area and are coordinated with these funding sources.

(b) *Affordable programs.* (1) The SDA shall assist the participant early in the objective assessment, as appropriate, to establish eligibility for Pell Grants, student loans and other forms of financial aid.

(2) The SDA or SSA shall record in the ISS or participant record the participant's training-related financial assistance needs and the mix of JTPA and other funds, including Pell Grant funds (sections 141(b), 107(b), 205(b) and 265(b)).

(3) The SDA shall ensure, to the extent practicable, that available Federal, State, and local resources are coordinated sufficiently to meet the training and education-related costs of services, so that the participant can afford to complete the agreed-upon program successfully.

(4) Participants shall not be required to apply for or access student loans, or incur personal debt as a condition of JTPA participation.

(c) *Information sharing.* To prevent duplication of funding and to streamline the tracking of the participant's financial needs and use of funds when HEA, title IV programs are involved, contracts and agreements with educational institutions shall require the educational institution's financial aid officer to inform the SDA's/SSG's of the amounts and disposition of any HEA, title IV awards and other types of financial aid to each JTPA participant awarded after the enrollment of the participant, as part of a continuing, regular information sharing process (section 141(b)).
