(a)(1) *General.* The financial management system and the participant data system of each recipient and subrecipient shall provide federally required records and reports that are uniform in definition, accessible to authorized Federal and State staff, and verifiable for monitoring, reporting, audit, program management, and evaluation purposes (sections 165(a)(1) and (2), and 182).

(2) An awarding agency may review the adequacy of the financial management system and participant data system of any recipient/subrecipient as part of a preaward review or at any time subsequent to award.

**20 CFR Ch. V (4-1-01 Edition)**

(b) *Financial systems.* Recipients and subrecipients shall ensure that their own financial systems as well as those of their subrecipients provide fiscal control and accounting procedures that are:

(1) In accordance with generally accepted accounting principles applicable in each State including:

(i) Information pertaining to subgrant and contract awards, obligations, unobligated balances, assets, liabilities, expenditures, and income;

(ii) Effective internal controls to safeguard assets and assure their proper use;

(iii) A comparison of actual expenditures with budgeted amounts for each subgrant and contract;

(2) Of each participant's enrollment in a JTPA-funded program in sufficient detail to demonstrate compliance with the relevant eligibility criteria attending a particular activity and with the restrictions on the provision and duration of services and specific activities imposed by the Act; and

(3) Of such participant information as may be necessary to develop and measure the achievement of performance standards established by the Secretary.

**§ 627.430 Grant payments.**

(a) Except as provided in paragraph (h)(2) of this section, JTPA grant payments shall be made to the Governor in accordance with the Cash Management Improvement Act of 1990 (31 U.S.C. 6501, et seq.), Department of Treasury regulations at 31 CFR part 205, and the State Agreement entered into with the Department of the Treasury.

(b) *Basic standard.* Except as provided in paragraphs (d) and (e) of this section, each recipient and subrecipient shall be paid in advance, provided it demonstrates the willingness and ability to limit advanced funds to the actual immediate disbursement needs in carrying out the JTPA program.

(c) *Advance payments.* To the maximum extent feasible, each subrecipient shall be provided advance payments via electronic funds transfer, following the procedures of the awarding agency.

(d) *Reimbursement.* (1) Reimbursement is the preferred method when the requirements in paragraph (b) of this section are not met.

(i) Each recipient shall submit requests for reimbursement in accordance with the provisions at 31 CFR part 205.

(ii) Each subrecipient shall submit requests for reimbursement in accordance with requirements established by the awarding agency.

(2) Each subrecipient shall be paid as promptly as possible after receipt of a proper request for reimbursement.

(e) *Working capital advance payments.* If a subrecipient cannot meet the criteria for advance payments described in paragraph (b) of this section, and the awarding agency has determined that reimbursement is not feasible because the subrecipient lacks sufficient working capital, the awarding agency may provide cash on a working capital advance payment basis. Under this procedure, the awarding agency shall advance cash to the subrecipient to cover its estimated disbursement needs for an initial period, generally geared to the subrecipient's disbursing cycle. In

no event may such an advance exceed 20 percent of the award amount. Thereafter, the awarding agency shall reimburse the subrecipient for its actual cash disbursements. The working capital advance method of payment shall not be used by recipients or subrecipients if the reason for using such method is the unwillingness or inability of the recipient or subrecipient to provide timely advances to the subrecipient to meet the subrecipient's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* Each recipient and subrecipient shall disburse cash received as a result of program income, rebates, refunds, contract settlements, audit recoveries, and interest earned on such funds before requesting additional cash payments.
