**Subpart A—General Provisions**

**§ 631.1 Scope and purpose.**

This part implements Title III of the Act. Title III programs seek to establish an early readjustment capacity for workers and firms in each State; to provide comprehensive coverage to workers regardless of the cause of dislocation; to provide early referral from the unemployment insurance system to adjustment services as an integral part of the adjustment process; to foster labor, management and community partnerships with government in addressing worker dislocation; to emphasize retraining and reemployment services rather than income support; to create an on-going substate capacity to deliver adjustment services; to tailor services to meet the needs of individuals; to improve accountability by establishing a system of mandated performance standards; to improve financial management by monitoring expenditures and reallotting available funds; and to provide the flexibility to target funds to the most critical dislocation problems.

**§ 631.2 Definitions.**

In addition to the definitions contained in sections 4, 301, and 303(e) of the Act and Part 626 of this chapter, the following definitions apply to programs under Title III of the Act and this part:

*Substantial layoff* (for participant eligibility) means any reduction-in-force

which is not the result of a plant closing and which results in an employment loss at a single site of employment during any 30 day period for:

(a)(1) At least 33 percent of the employees (excluding employees regularly working less than 20 hours per week); and

(2) At least 50 employees (excluding employees regularly working less than 20 hours per week); or

(b) At least 500 employees (excluding employees regularly working less than 20 hours per week).

*Substantial layoff* (for rapid response assistance) means any reduction-in-force which is not the result of a plant closing and which results in an employment loss at a single site of employment during any 30 day period for at least 50 employees (excluding employees regularly working less than 20 hours per week) (section 314(b)(4)).

**§ 631.3 Participant eligibility.**

(a) Eligible dislocated workers, as defined in section 301 of the Act, may participate in programs under this part. For the purposes of determining eligibility under section 301(a)(1)(A) of the Act, the term “eligible for” unemployment compensation includes any individual whose wages from employment would be considered in determining eligibility for unemployment compensation under Federal or State unemployment compensation laws.

(b)(1) Except as provided in paragraph (b)(3) of this section, workers who have not received an individual notice of termination but who are employed at a facility for which the employer has made a public announcement of planned closure shall be considered eligible dislocated workers with respect to the provision of basic readjustment services specifically identified in section 314(c) of the Act with the exception of supportive services and relocation assistance.

(2) Individuals identified in paragraph (b)(1) of this section shall be eligible to receive all services authorized in sections 314 of the Act after a date which is 180 days prior to the scheduled closure date of the facility, subject to the provisions of § 631.20 of this part and other applicable provisions regarding receipt of supportive services.

(3) Paragraphs (b)(1) and (b)(2) of this section shall not apply to individuals who are likely to remain employed with the employer or to retire instead of seeking new employment.

(4) For the purposes of paragraph (b)(1) of this section, the Governor shall establish criteria for defining *public announcement*. Such criteria shall include provisions that the public announcement shall be made by the employer and shall indicate a planned closure date for the facility (section 314(h)).

(c) Eligible dislocated workers include individuals who were self-employed (including farmers and ranchers) and are unemployed:

(1) Because of natural disasters, subject to the provisions of paragraph (e) of this section; or

(2) As a result of general economic conditions in the community in which they reside.

(d) For the purposes of paragraph (c) of this section, categories of economic conditions resulting in the dislocation of a self-employed individual may include, but are not limited to:

(1) Failure of one or more businesses to which the self-employed individual supplied a substantial proportion of products or services;

(2) Failure of one or more businesses from which the self-employed individual obtained a substantial proportion of products or services;

(3) Substantial layoff(s) from, or permanent closure(s) of, one or more plants or facilities that support a significant portion of the State or local economy.

(e) The Governor is authorized to establish procedures to determine the eligibility to participate in programs under this part of the following categories of individuals:

(1) Self-employed farmers, ranchers, professionals, independent tradespeople and other business persons formerly self-employed but presently unemployed.

(2) Self-employed individuals designated in paragraph (d)(1) of this section who are in the process of going out of business, if the Governor determines that the farm, ranch, or business operations are likely to terminate.
