

§ 632.172 Eligibility for participation in title IV, section 401.

(a) An Indian, Native Alaskan, or Native Hawaiian, as determined by the Native American Grantee, who is economically disadvantaged, or unemployed or underemployed is eligible to participate in a program under this subpart. For income eligibility purposes, the NAG may use either 6-months annualized or 12-months actual income.

(b) Indians and other persons of Native American descent who meet the requirements of subsection (a) of this section and who are identified by the Federal or State government as “landless” or “terminated” or “non-federally recognized” are included among those eligible to participate. These terms shall be broadly construed for the specific purpose of including, among others, terminated, State-recognized, or other groups or individuals previously determined to be eligible for Indian services under the Comprehensive Employment and Training Act.

(c) A Native American grantee may enroll Indian and Native American participants in upgrading and retraining programs who are not unemployed, underemployed or economically disadvantaged where such participants meet the following eligibility requirements:

(1) For upgrading, a person must be operating at less than full skill potential, and working for at least the prior 6 months with the same employer in either an entry level, unskilled or semi-skilled position or a paid position with little or no advancement opportunity in a normal promotional line. Priority consideration shall be given to the workers who have been in entry level positions for the longest time.

(2) For retraining a person must have received a bona fide notice of impending layoff and have been determined by the grantee as having little opportunity to be reemployed in the same or equivalent occupation or skill level within the labor market area.

§ 632.173 Allowable program activities.

(a) Native American grantees may undertake programs and activities consistent with the purposes of the Act including, but not limited to, programs

and activities described in §§ 632.78 through 632.81.

(b) Native American grantees are encouraged to develop innovative means of addressing the needs of unemployed, underemployed and economically disadvantaged members of their communities and of contributing to the permanent economic self-sufficiency of such communities.

(c) Training and placement in the private sector will be emphasized. CSE and work experience are permitted when consistent over the long term with increasing earnings in unsubsidized employment. Expenditures for CSE are limited to 10 percent of the unemployment rate, based on data collected by an appropriate Federal or State agency including BIA, of a NAG’s total section 401 allocation. For non-reservation grantees, the official BLS unemployment rate or State job service rate for the area will be used.

(d) Wages and allowances are to be kept to a minimum to maximize funds to be used for training.

(e) Innovative approaches to the private sector are encouraged.

(f) Other activities described in § 632.80 should use no more than 25 percent of the funds. This limitation may be increased to accommodate the extraordinary costs associated with special training projects where it is clear the benefits support the additional cost. An increase to this limitation shall be approved in instances such as, but not limited to, rural participants needing relocation for training, when the costs of housing, transportation, etc., for training participants cannot be met within a 25 percent limitation, and for TERO activities.

§ 632.174 Administrative costs.

Administrative costs for this subpart are limited to and shall not exceed 20 percent of the funds available.
