

(i) The Native American grantee shall ensure that contractors and subgrantees maintain and make available for review by the grantee and the Department of Labor all records pertaining to the operations of programs under such contracts and subgrants consistent with the maintenance and retention of record requirements in 41 CFR parts 29-70.

**§ 632.36 Procurement standards.**

(a) Native American grantees shall comply with the procurement systems and procedures found in 41 CFR 29-70.216, Procurement standards.

(b) Subject to the Indian preference provisions of § 632.35(h), small and minority-owned businesses, including small businesses owned by women, within the service area of the Native American grantee, shall be provided maximum reasonable opportunity to compete for contracts for supplies and services. One means to provide for this is the use of set-asides.

(c) No funds shall be paid by the Native American grantee to any organization for the conduct of programs under the Act unless:

- (1) It has submitted an acceptable proposal;
- (2) Selection is performed on a merit basis;
- (3) It has not been seriously deficient in its conduct of, or participation in, any Department of Labor program in the past, or is not a successor organization to one that was seriously deficient in the past, unless the organization satisfactorily demonstrates that the deficiency has been or will be corrected and performance substantially improved; and
- (4) It has the administrative capability to perform effectively.

**§ 632.37 Allowable costs.**

(a) *General.* To be allowable, a cost must be necessary and reasonable for proper and efficient administration of the grantee's program, be allocable thereto under these principles, and, except as provided herein, not be a general expense required to carry out the overall responsibilities of the grantee. Costs charged to the program shall be consistent with those normally allowed in like circumstances and, with appli-

cable State and local law, rules or regulations as determined by the Native American grantee.

(b) Unless otherwise indicated below, direct and indirect costs shall be charged in accordance with 41 CFR 29-70 and 41 CFR 1-15.7.

(c) Costs associated with repairs, maintenance, and capital improvements of existing facilities used primarily for programs under the Act are allowable. Additionally, the costs of home repair, weatherization and rehabilitation are allowable when the work is performed on low income housing as defined in § 632.4.

(d) Section 401 funds may be used to pay the cost of incorporating a PIC, other planning body or consortium administrative entity for the purpose of carrying out programs under the Act. These costs are chargeable to administration.

(e) Costs which are billed as a single unit charge do not have to be allocated or prorated among the several cost categories but may be charged entirely to training when the agreement:

- (1) Is for classroom training;
- (2) Is fixed unit price; and
- (3) Stipulates that full payment for the full unit price will be made only upon completion of training by a participant and placement of the participant into unsubsidized employment in the occupation trained for and at not less than the wage specified in the agreement.

**§ 632.38 Classification of costs.**

Allowable costs shall be charged against the following four cost categories: Administration; training, employment and other (including supportive services).

(a) Costs are allocable to a particular cost category to the extent that benefits are received by such category.

(b) The Native American grantee is required to plan, control and charge expenditures against the aforementioned cost categories.

(c) The Native American grantee is responsible for ensuring that, at a minimum, subgrant or subcontract recipients plan, control, and charge expenditures against the aforementioned cost categories.

(d) Administrative costs consist of all direct and indirect costs associated with the management of the grantee's program. These costs include but are not limited to: the salaries and fringe benefits of personnel engaged in executive, fiscal, data collection, personnel, legal, audit, procurement, data processing, communications, maintenance, and similar functions; and related materials, supplies, equipment, office space costs, and staff training. Also included are salaries and fringe benefits of direct program administrative positions such as supervisors, program analysts, labor market analysts, and project directors. Additionally, all costs of clerical personnel, materials, supplies, equipment, space, utilities, and travel which are identifiable with these program administration positions are charged to administration.

(e) Training costs consist of goods and services which directly affect program participants in a training activity. Training costs include, but are not limited to, the following: the costs associated with on-the-job training, salaries, fringe benefits, equipment and supplies of personnel engaged in providing training; books and other teaching aids; equipment and materials used in providing training to participants; classroom space and utility costs; employability assessment; job related counseling for participants; job search assistance and labor market orientation; participant allowances, and tuition and entrance fees which represent instructional costs which have a direct and immediate impact on participants. In addition, 250 hours of youth try-out employment is considered an allowable training cost. Youth try-out employment is that which meets the requirements of § 632.78.

(f) The compensation of individuals who both instruct participants and supervise other instructors must be prorated among the training and administration cost categories on the basis of time records or other equitable means. Similarly, tuition fees, and the costs of supplies used in the course of both participant instruction and other activities should be prorated among the benefiting uses.

(g) Employment costs consist of those costs associated with community

service employment and work experience as described in § 632.79.

(h) Other costs include supportive services, services which are necessary to enable an individual to participate in training and assistance under this part, and those described in § 632.80.

(i) Costs which are not readily assignable to the training or employment cost category should be charged to either the administration or other category as appropriate.

(j) Unemployment compensation costs are allowable for administrative staff hired in accordance with the administrative provisions of this part, and for CSE participants. Unemployment compensation costs are allowed for work experience only where required by State law.

(k) *Travel costs.* (1) The cost of participant travel and staff travel necessary for the administration of programs under the Act are allowable costs, chargeable to the proper cost category, and must follow standard Federal travel requirements.

(2) Travel costs of Native American grantee officials, including staff, board members, and advisory council members are allowable if the travel and costs specifically relate to programs under the Act. These costs will be charged to administration. Travel costs for officials of tribes or organizations belonging to a consortium require advance written approval from the Chief, DINAP, unless they are also officials of the Native American grantee organization.

(3) Travel costs for participants using their personal vehicles in the performance of their jobs are allowable if the employing agency normally reimburses its other employees in this way. These costs shall be charged to supportive services.

(4) Travel costs to enable participants to obtain employment or to participate in programs under the Act are allowable as supportive services.

(1) *Allocation of fixed unit charge.* (1) When contractors or subgrantees bill the Native American grantee with a single unit charge containing costs which are chargeable to more than one cost category, the Native American grantee shall charge these costs to the cost categories in § 632.38. For unit

charges such as tuition fees for which the necessary detail cannot be provided, a reasonable estimate of the breakdown of the single unit charge among cost categories in § 632.38 will be sufficient, including for audit purposes. When such unit charges are normally billed as a single charge and the cumulative amount of such charges to a service provider does not exceed \$25,000 within the grant year, proration will not be required. These costs may be charged to the category receiving the most benefit.

(2) The provisions of this section shall not apply to vendors selling or leasing equipment and attendant service at a commercially established rate to Native American grantees or subgrantees.

(3) In the case of multiuse equipment there must be a proration of costs or, if there is a predominant usage relating to one cost category, a charge shall be made to that category.

(4) Any single cost, such as staff salaries or fringe benefits, which is properly chargeable to more than one cost category shall be prorated among the affected categories.

### § 632.39 Administrative cost plan.

(a) All administrative funds for all programs operated under separate sections of the Act by a Native American grantee may be accounted for separately and be allocated by title and program activity or may be pooled into one fund. Planned expenditures from the fund shall be described in a separate section of the CAP.

(b) The administrative cost plan may be modified during the program year.

### § 632.40 Administrative staff and personnel standards.

(a) *Staffing.* Members of the population to be served shall be provided maximum employment opportunities at all levels of the JTPA grantee administration. Native American grantees shall establish systems to enhance the recruitment and hiring of qualified Indian and Native Americans and to provide opportunities for their further occupational training and career advancement.

(b) *Compensation.* Compensation for administrative staff shall be at levels

consistent with generally accepted business practices in the area. Such administrative wages, salaries, and fringe benefits are allowable administrative costs under JTPA.

(c) *Basic personnel standards.* All grantee employees, including participants, engaged in the administration of programs under the Act shall be subject to the policies and methods of personnel administration as formally established by the Native American grantee.

(d) *Bonding.* Native American grantees shall comply with the bonding requirements at 41 CFR 29-70.202b.

### § 632.41 Reporting requirements.

Within 45 days of the end of each quarter, a Native American grantee shall submit to the Chief, DINAP by registered mail, financial and program reports. Accuracy of all reports must be verified by the chief executive officer or financial officer. When estimates are used the verification statement will so state. The exact reports to be submitted and reporting instructions as approved by the Office of Management and Budget will be announced to Native American grantees under separate order.

### § 632.42 Grant closeout procedures.

Grant closeout will conform to the requirements at 41 CFR part 29-70. As necessary, the Secretary shall issue supplementary closeout requirements.

### § 632.43 Reallocation of funds.

When the DINAP determines that reallocation is appropriate, it shall give the Native American grantee 30-day notice of proposed action to remove funds from the grant. Such notice shall include specific reasons for the action being taken, and shall give the Native American grantee the opportunity to submit comments on the proposed reallocation of funds. These comments shall be submitted to DINAP within 30 days from the date of the notice. DINAP shall notify affected Native American grantees on any decision to reallocate funds. The Grant Officer shall finally reallocate by modifying the CAP.
