## § 633.315

(4) Such employment shall not occur during the employee's regular or assigned working hours in the DOL-assisted program, unless the employee during the entire day on which such employment occurs is on annual leave, compensatory leave, or leave without pay.

(d) *Salaries and wages.* (1) Administrative and staff employees in section 402 programs shall be paid at a rate no lower than the applicable Federal, State, or local minimum wage rate, whichever is highest. The salary for each position shall be justified and documented by the grantee to the satisfaction of the Department.

(2) Notwithstanding paragraph(d)(1) of this section, where a grantee or subgrantee has an established system, it may compensate its section 402 program employees at existing rates in effect for comparable positions under such merit system. However, in order to use this methodology, the section 402 program employees must be filling types of positions in existence before the grantee or subgrantee received financial assistance under the section 402 program, and the salary scale must not have been changed as a result of such financial assistance.

(e) *Prorating salaries.* Where an individual performs functions under several grants, his or her time shall be prorated among the different grants and the portion of the salary charged to the section 402 grant shall not exceed the percentage of time spent performing section 402 functions.

(f) *Employee benefits.* Employee benefits shall be at the same level and to the same extent as those positions in public or private nonprofit agencies in the area where the program is carried out.

(g) *Position responsibilities.* (1) Each grantee and subgrantee shall maintain a written detailed job description identifying job functions and responsibilities for each administrative and staff position under its section 402 program.

### § 633.314 Reports required.

Grantees shall report pursuant to instructions issued by the Department. Reports shall be submitted quarterly within 45 days after the end of the report period (sec. 165(a)(2)). Accuracy of all reports must be verified by the chief executive officer or financial officer. When estimates are used, the verification statement will so state.

### § 633.315 Replacement, corrective action, termination.

(a) The Department may replace any grantee who during the grant period has been terminated by first offering the Governor the opportunity to submit an acceptable application. When such an offer is made and should the Governor decline, within 15 days, or should the Governor or his agent have been the terminated grantee, the Department may replace the grantee by (1) designating another organization or organizations, or (2) opening the area for competitive bidding.

(b) The Department may also require appropriate corrective action as a condition of continued funding of a grantee whose performance has been found deficient, but not sufficient to warrant termination for cause or emergency treatment. Such appropriate corrective actions may include but are not limited to termination of subrecipient agreements, development of and compliance with corrective action plans, etc.

(c) In cases where deficiencies are identified and efforts at corrective action have failed, the Department may apply sanctions, e.g., suspension of Letter of Credit, incremental funding, etc.

(d) Termination for cause can occur whenever there is a violation of the governing rules and regulations, failure to comply with the grant terms and conditions and in such cases as:
