

Utilization study means an architectural/engineering report which is developed subsequent to a site survey or assessment after the regional and national offices have agreed, on the basis of the site survey, that the site is potentially favorable for a center. After the utilization study is approved by the Job Corps Director it becomes the basis for scope of work, budget, design, rehabilitation, and construction of facilities for the center.

Vocational skills training (VST) means activities that provide vocational instruction to students through actual construction or improvement of permanent facilities or other approved projects.

Work experience program means a program for assignment of a student to an actual job situation, either on-center or off-center, for the purpose of enhancing a student's employability. Work experience requiring the student to work over 25 hours per week is subject to the provisions of the Fair Labor Standards Act and State and local minimum wage laws for hours worked in excess of 25 hours per week.

Subpart C—Funding, Site Selection, and Facilities Management

§ 638.300 Eligibility for funds and eligible deliverers.

(a) Funds shall be made available by the Secretary to eligible deliverers for the operation of centers and for the provision of Job Corps operational support services.

(b) Eligible deliverers for the operation of centers and for the operational support services necessary to center operation shall be units of Federal, State, and local government, State and local public agencies, private-for-profit and nonprofit organizations, Indian tribes and organizations, and labor unions, union-affiliated, and union/management organizations.

§ 638.301 Funding procedures.

(a) Contracting officers shall request proposals for the operation of all contract centers and for provision of oper-

ational support services, pursuant to the Federal Acquisition Regulation (48 CFR chapter 1) and the DOL Acquisition Regulation (48 CFR chapter 29) for work to be done under contract. The requests for proposal for each contract center and for each operational support service contract shall describe specifications and standards unique to the operation of the center and for the provision of operational support services.

(b) Job Corps contract center operators shall be selected and funded on the basis of proposals received, according to criteria established by the Job Corps Director. Such criteria shall be listed in the request for proposals.

(c) The contracting officer shall negotiate with eligible deliverers for operational support services on the basis of the criteria developed for each specific service to be rendered. Such criteria shall be listed in the request for proposals.

(d) The Secretary may enter into interagency agreements with eligible deliverers that are Federal agencies for the funding, establishment, and operation of CCCs. Such interagency agreements shall ensure compliance by such Federal agencies with the regulations under this part.

(e) Job Corps payments to Federal agencies that operate CCCs shall be made by a transfer of obligational authority from DOL to the respective operating agency on a quarterly basis.

(f) The Secretary is authorized to expend funds made available for Job Corps for the purpose of printing, binding, and disseminating data and other information related to Job Corps to public agencies, private organizations, and the general public. (Section 438(3)(A))

(g) Notwithstanding the limitations of titles II, III, and IV of the Act, funds made available under those titles and transferred to the Job Corps program pursuant to § 638.541 of this part may be used for the Job Corps program in accordance with the provisions of this part. (Sections 427(b) and 439)

(h) (1) In accordance with this section and procedures established by the Job Corps Director, the contracting officers shall enter into contracts with public or private (including nonprofit) entities for the provision of outreach and
