

§ 641.306

satisfy the requirements of JTPA Title II-A.

(e) *Special responsibilities of the grantees and subgrantee(s) relating to eligibility.*

(1) Each grantee or subgrantee shall recertify the income of each enrollee under its grant or subgrant, respectively, once each project year, according to the schedule set forth in the grant agreement and shall maintain documentation to support the recertification. Enrollees found to be ineligible for continued enrollment because of income shall be given, by the grantee or subgrantee, a written notice of termination and shall be terminated 30 days after the notice. No enrollee shall participate in a community service position for more than 12 months without having his or her income recertified.

(2) If, at any time, the grantee or a subgrantee determines that an enrollee was incorrectly declared eligible as a direct result of false information given by that individual, the individual shall be given a written notice explaining the reason or reasons for the determination and shall be terminated immediately.

(3) If, at any time, the grantee or subgrantee determines that an enrollee was incorrectly declared eligible through no fault of the enrollee, the grantee or subgrantee shall give the enrollee immediate written notice explaining the reason or reasons for termination, and the enrollee shall be terminated 30 days after the notice.

(4) When a grantee or subgrantee makes an unfavorable determination on continued eligibility, it shall explain in writing to the enrollee the reason(s) for the determination and shall provide notice of the right of appeal in accordance with the required procedures set forth in § 641.324.

(5) When a grantee or subgrantee terminates an enrollee for cause, it shall inform the enrollee, in writing, of the reason(s) for termination and of the right of appeal in accordance with the required procedures set forth in § 641.324.

(6) When a grantee or subgrantee makes an unfavorable determination of enrollment eligibility pursuant to paragraph (e) (1) or (3) of this section, it should assure that the individual is

given a reason for non-enrollment and, when feasible, should refer the individual to other potential sources of assistance.

§ 641.306 Enrollment priorities.

(a) As set forth in sections 502(b)(1)(M) and 507(1) of the OAA, enrollment priorities for filling all positions shall be as follows:

(1) Eligible individuals with the greatest economic need;

(2) Eligible individuals who are 60 years old or older; and

(3) Eligible individuals who seek re-enrollment following termination of an unsubsidized job through no fault of their own or due to illness, provided that re-enrollment is sought within one year of termination.

(b) Within all enrollment priorities, those persons with poor employment prospects shall be given preference.

(c) Enrollment priorities established in this section shall apply to all vacant community service positions, but shall not be interpreted to require the termination of any eligible enrollee. The priorities do not apply to the experimental private sector projects authorized by section 502(e) of the OAA.

§ 641.307 [Reserved]

§ 641.308 Orientation.

(a) *Enrollee.* The grantee or subgrantee shall provide orientation to eligible individuals who are enrolled as soon as practicable after a determination of eligibility. The orientation shall provide, as appropriate, information related to: project objectives; community service assignments; training; supportive services; responsibilities, rights, and duties of the enrollee; permitted and prohibited political activities; plans for transition to unsubsidized employment and a discussion of safe working conditions at the host agencies.

(b) *Host agency.* The grantee or a subgrantee shall provide to those individuals who will supervise enrollees at the host agencies, an orientation similar to the one described in paragraph (a) of this section. This is to assure that enrollees will receive adequate supervision and opportunities for

transitioning to the host agency staff or other unsubsidized employment.

(c) *Supervision.* The grantee or subgrantee shall ensure that host agencies provide adequate supervision, adequate orientation and instruction regarding, among other things, job duties and safe working procedures.

§ 641.309 Assessment and reassessment of enrollees.

(a) *General.* The grantee or subgrantee shall assess each enrollee under the grant or subgrant, respectively, to determine the most suitable community service assignment and to identify appropriate employment, training, and community service objectives for each individual. The assessment shall be made in partnership with the new enrollee and should consider the individual's preference of occupational category, work history, skills, interests, talents, physical capabilities, need for supportive services, aptitudes, potential for performing proposed community service assignment duties, and potential for transition to unsubsidized employment.

(b) *Assessment of physical capabilities.* The assessment of each enrollee shall take into consideration his or her physical capabilities. Assessments of physical ability shall be consistent with section 504 of the Rehabilitation Act of 1973, as amended (section 504), and the Americans with Disabilities Act of 1990 (ADA).

(c) *Assignment.* The grantee or subgrantee shall seek a community service assignment which will permit the most effective use of each enrollee's skills, interests, and aptitudes.

(d) *Individual development plans.* The grantee and subgrantee shall use the assessment or reassessment as a basis for developing or amending an individual development plan (IDP). The IDP shall be developed in partnership with the enrollee to reflect the needs of the enrollee as indicated by the assessment, as well as the expressed interests and desires of the enrollee.

(e) *Review of IDP plan.* The grantee and subgrantee shall review the IDP at least once in a 12 month period for the following purposes: to evaluate the progress of each enrollee in meeting the objectives of the IDP; to determine

each enrollee's potential for transition to unsubsidized employment; to determine the appropriateness of each enrollee's current community service assignment; and to review progress made toward meeting their training and employment objectives.

(f) *Alternative assignment.* The sponsor may develop an alternative assignment for an enrollee, when feasible, should there be one of the following determinations:

(1) That a different community service assignment will provide greater opportunity for the use of an enrollee's skills and aptitudes;

(2) That an alternative assignment will provide work experience which will enhance the potential for unsubsidized employment; or

(3) That an alternative assignment will otherwise serve the best interests of the enrollee.

(g) *Minimum requirements.* The assessments and reassessments required by this section shall meet minimum requirements issued by the Department on assessment, and subsequent determinations are to be recorded in the enrollee's IDP, to become a part of each enrollee's permanent record.

(h) *Recent assessments.* Assessments of an enrollee, prepared by another employment or training program (such as a program under the JTPA or the Carl D. Perkins Vocational and Applied Technology Act) may be substituted for one prepared by the grantee or subgrantee if the training program prepared the assessment within the last year prior to applying for SCSEP. [section 502(b)(1)(M) of the OAA.]

§ 641.310 Community service assignments.

(a) *Assignment to community service.* After the completion of an enrollee's orientation and initial training, if any, the grantee or subgrantee shall refer the enrollee, as soon as possible, to a useful part-time community service assignment, if appropriate, according to the IDP.

(1) Each enrollee shall be placed in a community service assignment which contributes to the general welfare of the community and provides services related to publicly-owned and operated facilities and projects, or projects
