

(c) *Retirement.* Expenditures of grant funds for contributions into a retirement system or plan are prohibited, unless the grantee has documentation on hand showing that:

(1) The costs are allowable under the appropriate cost principles indicated at § 641.403(b); and

(2) Such contributions bear a reasonable relationship to the cost of providing such benefits to enrollees because:

(i) the benefits vest at the time contributions are made on behalf of the enrollees; or

(ii) the charges to SCSEP funds are for contributions on behalf of enrollees to a “defined benefit” type of plan which do not exceed the amounts reasonably necessary to provide the specified benefit to enrollees, as determined under a separate actuarial determination.

(d) *Workers’ compensation.* Where an enrollee is not covered by the State workers’ compensation law, the grantee or subgrantee shall provide the enrollee with workers’ compensation benefits equal to that provided by law for covered employment. [Section 504(b) of the OAA.]

(e) *Unemployment compensation.* The grantee is authorized to pay the cost of unemployment insurance for covered enrollees, where required by law. [Section 502(b)(1)(O) of the OAA.]

§ 641.312 Enrollee supportive services.

(a) The grantee or subgrantee shall provide supportive services designed to assist the enrollee in participating successfully in community service assignments and, where appropriate, to prepare and assist the enrollee in obtaining unsubsidized employment. To the extent feasible, the grantee or subgrantee shall utilize supportive services available from other titles of the OAA, particularly those administered by area agencies on aging and other funding sources.

(b) Supportive services may include, but need not be limited to, all or some of the following:

(1) Counseling or instruction designed to assist the enrollee to participate successfully in community service assignments or to obtain unsubsidized employment.

(2) Counseling designed to assist the enrollee personally in areas such as health, nutrition, social security benefits, Medicare benefits, and retirement laws.

(3) Incidentals, including, but not limited to: work shoes, badges, uniforms, safety glasses, eyeglasses, and hand tools, may be provided if necessary for successful participation in community service assignments and if not available from other sources.

(4) Periodic meetings on topics of general interest, including matters related to health, job seeking skills, safety, and consumer affairs.

(5) *Enrollee transportation.* (i) Enrollee transportation may be paid if transportation from other sources at no cost to the project is unavailable and such unavailability is documented. When authorized in the grant agreement, transportation may be provided for enrollees from home to work, to training or to supportive services. [Section 502(b)(1)(L) of the OAA.]

(ii) Grant funds may not be expended to support the transportation costs of host agencies or programs funded by other than title V of the OAA, except where provided by Federal law.

§ 641.313 Training.

(a) The grantee or subgrantee shall provide or arrange for training specific to an enrollee’s community service assignment. Training may be provided through lectures, seminars, classroom instruction, individual instruction or other arrangements including, but not limited to, arrangements with employment and training programs. The grantee or the subgrantee is encouraged to obtain such services through locally available resources, including employment and training programs, as defined in § 641.103, and through host agencies, at no cost or reduced cost to the project. [Section 502(b)(1)(I) of the OAA.]

(b) Training shall consist of up to 500 hours per grant year and shall be consistent with the enrollee’s IDP. Such training may cover all aspects of training; e.g., skill, job search, etc. Enrollees shall not be enrolled solely for the purpose of receiving job search and job

referral services. Waivers for additional hours of training will be considered on an exception basis.

(c) In addition to training in preparation for community service assignments, as described in this section, a grantee or subgrantee is encouraged to arrange for, or directly provide, skills-training opportunities beyond the SCSEP community service training activities which will permit the enrollee to acquire or improve skills, including literacy training, applicable in community service assignment or for unsubsidized employment.

(d) A grantee or subgrantee, to the extent feasible, shall arrange skill-training for the enrollee which is realistic and consistent with his or her IDP. A grantee or subgrantee shall place major emphasis on the training available through on-the-job experience at SCSEP work sites, thereby retaining the community service focus of the SCSEP.

(e) An enrollee engaging in skills-related training, as described in paragraphs (c) and (d) of this section, may be reimbursed for the documented travel costs and room and board necessary to engage in such training. [Section 502(b)(1)(I) of the OAA.]

(f) Whenever possible a grantee or subgrantee shall seek to obtain all training for enrollees reduced or no cost to title V from such sources as the JTPA and the Carl D. Perkins Vocational and Applied Technology Education Act. Where training is not available from other sources, title V funds may be used for training.

(g) Nothing in this section shall be interpreted to prevent or limit an enrollee from engaging in self-development training available from sources other than title V of the OAA during hours other than hours of community service assignment.

(h) Joint programming, including co-enrollment when appropriate, between title V programs and programs authorized by the Job Training Partnership Act, the Community Services Block Grant Act, or the Carl D. Perkins Act is strongly encouraged.

§ 641.314 Placement into unsubsidized employment.

(a) In order to ensure that the maximum number of eligible individuals have an opportunity to participate in community service assignments, the grantee or subgrantee shall employ reasonable means to place each enrollee into unsubsidized employment.

(b) To encourage the placement of the enrollee into an unsubsidized job, the Department has established a goal of placing into unsubsidized employment the number of enrollees which equals at least 20 percent of the project's annual authorized positions. Whenever this goal is not achieved, the grantee shall develop and submit a plan of action for addressing this shortfall.

(c) The grantee or subgrantee may contact private and public employers directly or through the State employment security agencies to develop or identify suitable unsubsidized employment opportunities; and should encourage host agencies to employ enrollees in their regular work forces.

(d) The grantee or subgrantee shall follow-up on each enrollee who is placed into unsubsidized employment and shall document such follow-up at least once within 3 months of unsubsidized placement.

§ 641.315 Maximum duration of enrollment.

A maximum duration of enrollment may be established by the grantee in the grant agreement, when authorized by the Department. Time limits on enrollment shall be reasonable and IDPs shall provide for transition to unsubsidized employment or other assistance before the maximum enrollment duration has expired.

§ 641.316 Individual development plan-related terminations.

When an enrollee refuses to accept a reasonable number of referrals or job offers to unsubsidized employment consistent with his or her IDP and there are no extenuating circumstances, the enrollee may be terminated from the SCSEP. Such a termination shall be consistent with administrative guidelines issued by the Department and the
