(d) Regular employees and program participants alleging displacement may file a complaint pursuant to § 645.270 of this part (section 403(a)(5)(J)(i)).

§ 645.270 What procedures are there to ensure that currently employed workers may file grievances regarding displacement and that Welfare-to-Work participants in employment activities may file grievances regarding displacement, health and safety standards and gender discrimination?

(a) The State shall establish and maintain a grievance procedure for resolving complaints from:

(1) Regular employees that the placement of a participant in an employment activity operated with WtW funds, as described in § 645.220 of this part, violates any of the prohibitions described in § 645.265 of this part; and

(2) Program participants in an employment activity operated with WtW funds, as described in § 645.220 of this part, that any employment activity violates any of the prohibitions described in §§ 645.255(d), 645.260, or 645.265 of this part.

(b) Such grievance procedure should include an opportunity for informal resolution.

(c) If no informal resolution can be reached within the specified time as established by the State as part of its grievance procedure, such procedure shall provide an opportunity for the

(f) The State shall designate the State agency which will be responsible for hearing appeals. This agency shall be independent of the State or local agency which is administering, or supervising the administration of the State TANF and WtW programs.

(3) Where applicable, reinstatement of an employee, payment of lost wages and benefits, and reestablishment of other relevant terms, conditions, and privileges of employment; and,

(4) Where appropriate, other equitable relief (section 403(a)(5)(J)(iv)).

(i) Participants alleging gender discrimination by WtW programs that are not part of the One-Stop system may file a complaint using the grievance system procedures described above. Participants alleging gender discrimination by WtW programs that are part of the One-Stop system may file a complaint using the procedures developed

Subpart C—Additional Formula Grant Administrative Standards and Procedures

§ 645.300 What constitutes an allowable match?

(a) A State is entitled to receive two (2) dollars of Federal funds for every one (1) dollar of State match expenditures, up to the amount available for allotment to the State based on the State's percentage for WtW formula grant for the fiscal year. The State is not required to provide a level of match necessary to support the total amount available to it based on the State's percentage for WtW formula grant. However, if the proposed match is less than the amount required to support the full level of Federal funds, the grant amount will be reduced accordingly (section 403(a)(5)(A)(i)(I)).

(b) States shall follow the match or cost-sharing requirements of the "Common Rule" *Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments* (codified for DOL at 29 CFR 97.24). Paragraphs (b)(1)(i) and (ii), (b)(3), and (b)(4) and (c)(1) of this section are in addition to the common rule requirements. Also, paragraphs included in the common rule which relate to the use of donated buildings and other real property as match have been excluded from this provision.

(1) Only costs that would be allowable if paid for with WtW grant funds will be accepted as match.

(i) Because the use of Federal funds is prohibited for construction or purchase of facilities or buildings except where there is explicit statutory authority permitting it, costs incurred for the construction or purchase of facilities or buildings shall not be acceptable as match for a WtW grant.

(ii) Because the costs of construction or purchase of facilities or buildings are unallowable as match, the donation of a building or property as a third party in-kind contribution is also unallowable as a match for a WtW grant.

(2) A match or cost-sharing requirement may be satisfied by either or both of the following:

(i) Allowable costs incurred by the grantee, subgrantee or a cost type contractor under the assistance agreement. This includes allowable cost borne by non-Federal grants or by others and cash donations from non-Federal third parties.

(ii) The value of third party in-kind contributions applicable to the FY period to which the cost-sharing or matching requirement applies.

(3) No more than seventy-five percent (75%) of the total match expenditures may be in the form of third party in-kind contributions.

(4) Match expenditures must be recorded in the books of account of the entity that incurred the cost or received the contribution. These amounts may be rolled up and reported as aggregate State level match.

(c) Qualifications and exceptions—

(1) The matching requirements may not be met by the use of an employer's share of participant wage payments (*e.g.*, employer share of OJT wages).

(2) Costs borne by other Federal grant agreements. A cost-sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(3) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(4) Cost or contributions counted towards other Federal cost-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost-sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost-sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(5) Costs financed by program income. Costs financed by program income, as defined in 29 CFR 97.25, shall not count towards satisfying a cost-
