20 CFR Ch. V (4-1-01 Edition)

§ 653.500 Purpose and scope of subpart.

This section contains the requirements for acceptance and handling of intrastate and interstate job clearance orders seeking workers to perform agricultural or food processing work on a less than year round basis. Orders seeking workers to perform agricultural or food processing work on a year round basis which involves permanent relocation are not subject to the requirements of this subpart. This section, therefore, contains requirements which affect not only applicants who are categorized as MSFWs based on their past employment, but all workers who are recruited through the JS intrastate and interstate clearance systems for less than year round agricultural or food processing work.

§ 653.501 Requirements for accepting and processing clearance orders.

(a) In view of the statutorily established basic function of the job service as a no-fee labor exchange, that is, as a forum for bringing together employers and job seekers, neither the ETA nor the State agencies are guarantors of the accuracy or truthfulness of information contained on job orders submitted by employers. Nor does any job order accepted or recruited upon by the JS constitute a contractual job offer to which the ETA or a State agency is in any way a party. Nevertheless, if the ETA or a State agency discovers that an employer's job order contains a material misrepresentation, the procedures of subpart F of part 658 of this chapter shall be followed.

(b) Intrastate and interstate job orders shall include the language of the first two sentences of paragraph (a) of this section.

(c) No local office or State agency shall place into intrastate or interstate clearance any job order seeking workers to perform agricultural or food processing work before reviewing it pursuant to paragraphs (d) or (e) of this section, as applicable.

(d) No local office shall place a job order seeking workers to perform agricultural or food processing work into intrastate clearance unless:

(1) The job order does not contain an unlawful discriminatory specification
