The RA shall review the matter and, after consultation with OSHA, shall either grant or deny the request for a variance.

(c) The variance granted by the RA shall be in writing, shall state the particular standard(s) involved, and shall state as conditions of the variance the specific alternative measures which have been taken to protect the health and safety of the workers. The RA shall send the approved variance to the employer and shall send copies to the Regional Administrator of the Occupational Safety and Health Administration, the Regional Administrator of the Employment Standards Administration, and the appropriate State agency and the local Job Service office. The employer shall submit and the local Job Service office shall attach copies of the approved variance to each of the employer's job orders which is placed into intrastate or interstate clearance.

(d) If the RA denies the request for a variance, the RA shall provide written notice stating the reasons for the denial to the employer, the appropriate State agency and the local Job Service office. The notice shall also offer the employer an opportunity to request a hearing before a DOL Hearing Officer, provided the employer requests such a hearing from the RA within 30 calendar days of the date of the notice. The request for a hearing shall be handled in accordance with the employment service complaint procedures set forth at §§ 658.421 (i) and (j), 658.422 and 658.423 of this chapter.

(2) “*Criteria*” employers. If the request for conditional access described in paragraph (a)(1) of this section is from an employer filing a job order pursuant to an application for temporary alien agricultural labor certification for H-2A alien agricultural workers or H-2 alien workers under subpart B or subpart C, respectively, of part 655 of this chapter, the request shall be filed with the RA as an attachment to the application for temporary alien agricultural labor certification.

(3) *Assurance*. The employer's request pursuant to paragraphs (a)(1) or (a)(2) of this section shall contain an assurance that the housing will be in full compliance with the applicable housing standards at least 20 calendar days (stating the specific date) before the housing is to be occupied.

(b) *Processing requests*—(1) *State agency processing*. Upon receipt of a written request for conditional access to the intrastate or interstate clearance system under paragraph (a)(1) of this section, the local Job Service office shall send the request to the State office, which, in turn, shall forward it to the Regional Administrator, Employment and Training Administration, (RA).

(2) *Regional office processing and determination*. Upon receipt of a request for conditional access pursuant to paragraph (a)(2) or paragraph (b)(1) of this section, the RA shall review the matter and, as appropriate, shall either grant or deny the request.

The employer shall submit and the local Job Service shall attach copies of the authorization to each of the employer's job orders which is placed into intrastate or interstate clearance.

(d) *Notice of denial.* If the RA denies the request for conditional access to the intrastate or interstate clearance system, the RA shall provide written notice to the employer, the appropriate State agency, and the local Job Service office, stating the reasons for the denial.

(e) *Inspection.* (1) The local Job Service office serving the area containing the housing of any employer granted conditional access to the intrastate or interstate clearance system shall assure that the housing is inspected no later than the date by which the employer has promised to have its housing in compliance with the requirements of this subpart. An employer, however, may request an earlier preliminary inspection. If, on the date set forth in the authorization, the housing is not in full compliance with the applicable housing standards as assured in the request for conditional access, the local Job Service office shall afford the employer five calendar days to bring the housing into full compliance. After the five-calendar-day period, if the housing is not in full compliance with the applicable housing standards as assured in the request for conditional access, the local Job Service office immediately:

(i) Shall notify the RA;

(ii) Shall remove the employer's job orders from intrastate and interstate clearance; and

(iii) Shall, if workers have been recruited against these orders, in cooperation with the employment service agencies in other States, make every reasonable attempt to locate and notify the appropriate crew leaders or workers, and to find alternative and comparable employment for the workers.
