The State Board must assist the Governor in the:

§ 661.207 How does the State Board meet its requirement to conduct business in an open manner under the “sunshine provision” of WIA section 111(g)?

The State Board must conduct its business in an open manner as required by WIA section 111(g), by making available to the public, on a regular basis through open meetings, information about the activities of the State Board. This includes information about the State Plan prior to submission of the plan; information about membership; the development of significant policies, interpretations, guidelines and definitions; and, on request, minutes of formal meetings of the State Board.

§ 661.210 Under what circumstances may the Governor select an alternative entity in place of the State Workforce Investment Board?

(a) The State may use any State entity that meets the requirements of WIA section 111(e) to perform the functions of the State Board.

(b) If the State uses an alternative entity, the State workforce investment plan must demonstrate that the alternative entity meets all three of the requirements of WIA section 111(e). Section 111(e) requires that such entity:

(1) Was in existence on December 31, 1997;

§ 661.220

(d) If the membership structure of the alternative entity is significantly changed after December 31, 1997, the entity will no longer be eligible to perform the functions of the State Board. In such case, the Governor must establish a new State Board which meets all of the criteria of WIA section 111(b).

(e) A significant change in the membership structure includes any significant change in the organization of the alternative entity or in the categories of entities represented on the alternative entity which requires a change to the alternative entity's charter or a similar document that defines the formal organization of the alternative entity, regardless of whether the required change to the document has or has not been made.
