

(b) The State list is a compilation of the eligible programs and providers identified or retained by local areas and that have not been removed under §§ 663.535(g) and 663.565.

(c) The State list must be accompanied by the performance and cost information contained in the local lists as required by § 663.535(e). (WIA sec. 122(e)(4)(A).)

**§ 663.555 How is the State list disseminated?**

(a) The designated State agency must disseminate the State list and accompanying performance and cost information to the One-Stop delivery systems within the State.

(b) The State list and information must be updated at least annually.

(c) The State list and accompanying information form the primary basis of the One-Stop consumer reports system that provides for informed customer choice. The list and information must be widely available, through the One-Stop delivery system, to customers seeking information on training outcomes, as well as participants in employment and training activities funded under WIA and other programs.

(1) The State list must be made available to individuals who have been determined eligible for training services under § 663.310.

(2) The State list must also be made available to customers whose training is supported by other One-Stop partners.

**§ 663.565 May an eligible training provider lose its eligibility?**

(a) Yes. A training provider must deliver results and provide accurate information in order to retain its status as an eligible training provider.

(b) If the provider's programs do not meet the established performance levels, the programs will be removed from the eligible provider list.

(1) A Local Board must determine, during the subsequent eligibility determination process, whether a provider's programs meet performance levels. If the program fails to meet such levels, the program must be removed from the local list. If all of the provider's programs fail to meet such levels, the pro-

vider must be removed from the local list.

(2) The designated State agency upon receipt of the performance information accompanying the local list, may remove programs from the State list if the agency determines the program failed to meet the levels of performance prescribed under § 663.535(c). If all of the provider's programs are determined to have failed to meet the levels, the designated State agency may remove the provider from the State list.

(3) Providers determined to have intentionally supplied inaccurate information or to have subsequently violated any provision of title I of WIA or the WIA regulations, including 29 CFR part 37, may be removed from the list in accordance with the enforcement provisions of WIA section 122(f). A provider whose eligibility is terminated under these conditions is liable to repay all adult and dislocated worker training funds it received during the period of noncompliance.

(4) The Governor must establish appeal procedures for providers of training to appeal a denial of eligibility under this subpart according to the requirements of 20 CFR 667.640(b).

**§ 663.570 What is the consumer reports system?**

The consumer reports system, referred to in WIA as performance information, is the vehicle for informing the customers of the One-Stop delivery system about the performance of training providers and programs in the local area. It is built upon the State list of eligible providers and programs developed through the procedures described in WIA section 122 and this subpart. The consumer reports system must contain the information necessary for an adult or dislocated worker customer to fully understand the options available to him or her in choosing a program of training services. Such program-specific factors may include overall performance, performance for significant customer groups (including wage replacement rates for dislocated workers), performance of specific provider sites, current information on employment and wage trends and projections, and duration of training programs.
