

§ 664.215

be included in the State Plan. (WIA sec. 101(13)(C)(iv).)

§ 664.215 Must youth participants be registered to participate in the youth program?

(a) Yes, all youth participants must be registered.

(b) Registration is the process of collecting information to support a determination of eligibility.

(c) Equal opportunity data must be collected during the registration process on any individual who has submitted personal information in response to a request by the recipient for such information.

§ 664.220 Is there an exception to permit youth who are not low-income individuals to receive youth services?

Yes, up to five percent of youth participants served by youth programs in a local area may be individuals who do not meet the income criterion for eligible youth, provided that they are within one or more of the following categories:

- (a) School dropout;
- (b) Basic skills deficient, as defined in WIA section 101(4);
- (c) Are one or more grade levels below the grade level appropriate to the individual's age;
- (d) Pregnant or parenting;
- (e) Possess one or more disabilities, including learning disabilities;

§ 664.230 Are the eligibility barriers for eligible youth the same as the eligibility barriers for the five percent of youth participants who do not have to meet income eligibility requirements?

No, the barriers listed in §§ 664.200 and 664.220 are not the same. Both lists of eligibility barriers include school dropout, homeless or runaway, pregnant or parenting, and offender, but each list contains barriers not included on the other list.

20 CFR Ch. V (4-1-01 Edition)

§ 664.240 May a local program use eligibility for free lunches under the National School Lunch Program as a substitute for the income eligibility criteria under title I of WIA?

No, the criteria for income eligibility under the National School Lunch Program are not the same as the Act's income eligibility criteria. Therefore, the school lunch list may not be used as a substitute for income eligibility to determine who is eligible for services under the Act.

§ 664.250 May a disabled youth whose family does not meet income eligibility criteria under the Act be eligible for youth services?

Yes, even if the family of a disabled youth does not meet the income eligibility criteria, the disabled youth may be considered a low-income individual if the youth's own income:

- (a) Meets the income criteria established in WIA section 101(25)(B); or
- (b) Meets the income eligibility criteria for cash payments under any Federal, State or local public assistance program. (WIA sec. 101(25)(F).)

Subpart C—Out-of-School Youth

§ 664.300 Who is an "out-of-school youth"?

An out-of-school youth is an individual who:

- (a) Is an eligible youth who is a school dropout; or
- (b) Is an eligible youth who has either graduated from high school or holds a GED, but is basic skills deficient, unemployed, or underemployed. (WIA sec. 101(33).)

§ 664.310 When is dropout status determined, particularly for youth attending alternative schools?

A school dropout is defined as an individual who is no longer attending any school and who has not received a secondary school diploma or its recognized equivalent. A youth's dropout status is determined at the time of registration. A youth attending an alternative school at the time of registration is not a dropout. An individual who is out-of-school at the time of registration and subsequently placed in an alternative school, may be considered

an out-of-school youth for the purposes of the 30 percent expenditure requirement for out-of-school youth. (WIA sec. 101(39).)

§ 664.320 Does the requirement that at least 30 percent of youth funds be used to provide activities to out-of-school youth apply to all youth funds?

(a) Yes, the 30 percent requirement applies to the total amount of all funds allocated to a local area under WIA section 128(b)(2)(A) or (b)(3), except for local area expenditures for administrative purposes under 20 CFR 667.210(a)(2).

(b) Although it is not necessary to ensure that 30 percent of such funds spent on summer employment opportunities (or any other particular element of the youth program) are spent on out-of-school youth, the funds spent on these activities are included in the total to which the 30 percent requirement applies.

(c) There is a limited exception, at WIA section 129(c)(4)(B), under which certain small States may apply to the Secretary to reduce the minimum amount that must be spent on out-of-school youth. (WIA sec. 129(c)(4).)

Subpart D—Youth Program Design, Elements, and Parameters

§ 664.400 What is a local youth program?

A local youth program is defined as those youth activities offered by a Local Workforce Investment Board for a designated local workforce investment area, as specified in 20 CFR part 661.

§ 664.405 How must local youth programs be designed?

(a) The design framework of local youth programs must:

(1) Provide an objective assessment of each youth participant, that meets the requirements of WIA section 129(c)(1)(A), and includes a review of the academic and occupational skill levels, as well as the service needs, of each youth;

(2) Develop an individual service strategy for each youth participant that meets the requirements of WIA

section 129(c)(1)(B), including identifying an age-appropriate career goal and consideration of the assessment results for each youth; and

(3) Provide preparation for postsecondary educational opportunities, provide linkages between academic and occupational learning, provide preparation for employment, and provide effective connections to intermediary organizations that provide strong links to the job market and employers.

(4) The requirement in WIA section 123 that eligible providers of youth services be selected by awarding a grant or contract on a competitive basis does not apply to the design framework component, such as services for intake, objective assessment and the development of individual service strategy, when these services are provided by the grant recipient/fiscal agent.

(b) The local plan must describe the design framework for youth program design in the local area, and how the ten program elements required in § 664.410 are provided within that framework.

(c) Local Boards must ensure appropriate links to entities that will foster the participation of eligible local area youth. Such links may include connections to:

(1) Local area justice and law enforcement officials;

(2) Local public housing authorities;

(3) Local education agencies;

(4) Job Corps representatives; and

(5) Representatives of other area youth initiatives, including those that serve homeless youth and other public and private youth initiatives.

(d) Local Boards must ensure that the referral requirements in WIA section 129(c)(3) for youth who meet the income eligibility criteria are met, including:

(1) Providing these youth with information regarding the full array of applicable or appropriate services available through the Local Board or other eligible providers, or One-Stop partners; and

(2) Referring these youth to appropriate training and educational programs that have the capacity to serve them either on a sequential or concurrent basis.
