

an out-of-school youth for the purposes of the 30 percent expenditure requirement for out-of-school youth. (WIA sec. 101(39).)

§ 664.320 Does the requirement that at least 30 percent of youth funds be used to provide activities to out-of-school youth apply to all youth funds?

(a) Yes, the 30 percent requirement applies to the total amount of all funds allocated to a local area under WIA section 128(b)(2)(A) or (b)(3), except for local area expenditures for administrative purposes under 20 CFR 667.210(a)(2).

(b) Although it is not necessary to ensure that 30 percent of such funds spent on summer employment opportunities (or any other particular element of the youth program) are spent on out-of-school youth, the funds spent on these activities are included in the total to which the 30 percent requirement applies.

(c) There is a limited exception, at WIA section 129(c)(4)(B), under which certain small States may apply to the Secretary to reduce the minimum amount that must be spent on out-of-school youth. (WIA sec. 129(c)(4).)

Subpart D—Youth Program Design, Elements, and Parameters

§ 664.400 What is a local youth program?

A local youth program is defined as those youth activities offered by a Local Workforce Investment Board for a designated local workforce investment area, as specified in 20 CFR part 661.

§ 664.405 How must local youth programs be designed?

(a) The design framework of local youth programs must:

(1) Provide an objective assessment of each youth participant, that meets the requirements of WIA section 129(c)(1)(A), and includes a review of the academic and occupational skill levels, as well as the service needs, of each youth;

(2) Develop an individual service strategy for each youth participant that meets the requirements of WIA

section 129(c)(1)(B), including identifying an age-appropriate career goal and consideration of the assessment results for each youth; and

(3) Provide preparation for postsecondary educational opportunities, provide linkages between academic and occupational learning, provide preparation for employment, and provide effective connections to intermediary organizations that provide strong links to the job market and employers.

(4) The requirement in WIA section 123 that eligible providers of youth services be selected by awarding a grant or contract on a competitive basis does not apply to the design framework component, such as services for intake, objective assessment and the development of individual service strategy, when these services are provided by the grant recipient/fiscal agent.

(b) The local plan must describe the design framework for youth program design in the local area, and how the ten program elements required in § 664.410 are provided within that framework.

(c) Local Boards must ensure appropriate links to entities that will foster the participation of eligible local area youth. Such links may include connections to:

(1) Local area justice and law enforcement officials;

(2) Local public housing authorities;

(3) Local education agencies;

(4) Job Corps representatives; and

(5) Representatives of other area youth initiatives, including those that serve homeless youth and other public and private youth initiatives.

(d) Local Boards must ensure that the referral requirements in WIA section 129(c)(3) for youth who meet the income eligibility criteria are met, including:

(1) Providing these youth with information regarding the full array of applicable or appropriate services available through the Local Board or other eligible providers, or One-Stop partners; and

(2) Referring these youth to appropriate training and educational programs that have the capacity to serve them either on a sequential or concurrent basis.
