

§ 668.120

§ 668.120 How must INA programs be administered?

(a) We will administer INA programs to maximize the Federal commitment to support the growth and development of Native American people and communities as determined by representatives of such communities.

(b) In administering these programs, we will observe the Congressional declaration of policy set forth in the Indian Self-Determination and Education Assistance Act, at 25 U.S.C. section 450a, as well as the Department of Labor's "American Indian and Alaska Native Policy," dated July 29, 1998.

(c) The regulations in this part are not intended to abrogate the trust responsibilities of the Federal Government to Native American bands, tribes, or groups in any way.

(d) We will administer INA programs through a single organizational unit and consistent with the requirements in section 166(h) of the Act. We have designated the Division of Indian and Native American Programs (DINAP) within the Employment and Training Administration (ETA) as this single organizational unit required by WIA section 166(h)(1).

(e) We will establish and maintain administrative procedures for the selection, administration, monitoring, and evaluation of Native American employment and training programs authorized under this Act. We will utilize staff who have a particular competence in this field to administer these programs. (WIA sec. 166(h).)

§ 668.130 What obligation do we have to consult with the INA grantee community in developing rules, regulations, and standards of accountability for INA programs?

We will consult with the Native American grantee community as a full partner in developing policies for the INA programs. We will actively seek and consider the views of all INA grantees, and will discuss options with the grantee community prior to establishing policies and program regulations. The primary consultation vehicle is the Native American Employment and Training Council. (WIA sec. 166(h)(2).)

§ 668.200 What are the requirements for designation as an “Indian or Native American (INA) grantee”?

(a) To be designated as an INA grantee, an entity must have:

(1) A legal status as a government or as an agency of a government, private non-profit corporation, or a consortium which contains at least one of these entities;

(2) The ability to administer INA program funds, as defined at § 668.220; and

(3) A new (non-incumbent) entity must have a population within the designated geographic service area which would provide funding under the funding formula found at § 668.296(b) in the amount of at least \$100,000, including any amounts received for supplemental youth services under the funding formula at § 668.440(a). Incumbent grantees which do not meet this dollar threshold for Program Year (PY) 2000 and beyond will be grandfathered in. We will make an exception for grantees wishing to participate in the demonstration program under Public Law 102-477 if all resources to be consolidated under the Public Law 102-477 plan total at least \$100,000, with at least \$20,000 derived from section 166 funds as determined by the most recent Census data. Exceptions to this \$20,000 limit may be made for those entities which are close to the limit and which have demonstrated the capacity to administer Federal funds and operate a successful employment and training program.

(b) To be designated as a Native American grantee, a consortium or its members must meet the requirements of paragraph (a) of this section and must:

(1) Be in close proximity to one another, but they may operate in more than one State;

(3) Alaska Native-controlled organizations representing regional or village areas, as defined in the Alaska Native Claims Settlement Act;

(4) Native Hawaiian-controlled entities;

(5) Native American-controlled organizations serving Indians; and

(6) Consortia of eligible entities which individually meets the legal requirements for a consortium described in paragraph (c) of this section.

(d) Under WIA section 166(d)(2)(B), individuals who were eligible to participate under section 401 of JTPA on August 6, 1998, remain eligible to participate under section 166 of WIA. State-recognized tribal organizations serving such individuals are considered to be “Native American controlled” for WIA section 166 purposes.

§ 668.210 What priority for designation is given to eligible organizations?

(a) Federally-recognized Indian tribes, Alaska Native entities, or consortia that include a tribe or entity will have the highest priority for designation. To be designated, the organizations must meet the requirements in this subpart. These organizations will be designated for those geographic areas and/or populations over which they have legal jurisdiction. (WIA sec. 166(c)(1).)

(b) If we decide not to designate Indian tribes or Alaska Native entities to serve their service areas, we will enter into arrangements to provide services with entities which the tribes or Alaska Native entities involved approve.

(c) In geographic areas not served by Indian tribes or Alaska Native entities,
