### Subpart A—General Provisions

#### ADMINISTRATION

#### § 702.101 [Reserved]

#### § 702.102 Establishment and modification of compensation districts, establishment of suboffices and jurisdictional areas.

(a) The Director has, pursuant to section 39(b) of the Longshore and Harbor Workers' Compensation Act, 33 U.S.C. 939(b), established compensation districts as required for improved administration or as otherwise determined by the Director (see 51 FR 4282, Feb. 3, 1986). The boundaries of the compensa-

tion districts may be modified at any time, and the Director shall notify all interested parties directly by mail of the modifications.

(b) As administrative exigencies from time to time may require, the Director may, by administrative order, establish special areas outside the continental United States, Alaska, and Hawaii, or change or modify any areas so established, notwithstanding their inclusion within an established compensation district. Such areas shall be designated "jurisdictional areas." The Director shall also designate which of his district directors shall be in charge thereof.

(c) To further aid in the efficient administration of the OWCP, the Director may from time to time establish suboffices within compensation districts or jurisdictional areas, and shall designate a person to be in charge thereof.

[38 FR 26861, Sept. 26, 1973, as amended at 60 FR 51348, Oct. 2, 1995]

#### § 702.103 Effect of establishment of suboffices and jurisdictional areas.

Whenever the Director establishes a suboffice or jurisdictional area, those reports, records, or other documents with respect to processing of claims that are required to be filed with the district director of the compensation district in which the injury or death occurred, may instead be required to be filed at the suboffice, or office established for the jurisdictional area.

#### § 702.104 Transfer of individual case file.

(a) At any time after a claim is filed, the district director having jurisdiction thereof may, with the prior or subsequent approval of the Director, transfer such case to the district director in another compensation district for the purpose of making an investigation, ordering medical examinations, or taking such other action as may be necessary or appropriate to further develop the claim. If, after filing a claim, the claimant moves to another compensation district, the district director may, upon request by the claimant or the employer and with the approval of the Director, transfer the case to such other compensation district.

## § 702.105

(b) The district director making the transfer may by letter or memorandum to the district director to whom the case is transferred give advice, comments, suggestions, or directions if appropriate to the particular case. The transfer of cases shall be by registered or certified mail. All interested parties shall be advised of the transfer.

[42 FR 45301, Sept. 9, 1977]

### § 702.105 Use of the title District Director in place of Deputy Commissioner.

Wherever the statute refers to Deputy Commissioner, these regulations have substituted the term District Director. The substitution is purely an administrative one, and in no way affects the authority of or the powers granted and responsibilities imposed by the statute on that position.

## RECORDS

### § 702.111 Employer's records.

Every employer shall maintain adequate records of injury sustained by employees while in his employ, and which shall also contain information of disease, other impairments or disabilities, or death relating to said injury. Such records shall be available for inspection by the OWCP or by any State authority. Records required by this section shall be retained by the employer for three years following the date of injury; this applies to records for lost-time and no-lost-time injuries.

Any party in interest may request copies of records he has been permitted to inspect. Such requests shall be addressed to the official custodian of the records sought to be copied.
