

§ 702.135

the 30th day after receiving written notice from the district director of a claim for compensation having been filed, on the ground that there is no liability for compensation within the provisions of this Act, and the person seeking benefits shall thereafter have utilized the services of an attorney at law in the successful prosecution of his claim, there shall be awarded, in addition to the award of compensation, in a compensation order, a reasonable attorney's fee against the employer or carrier in an amount approved by the person, administrative body or court before whom the service was performed, which shall be paid directly by the employer or carrier to the attorney for the claimant in a lump sum after the compensation order becomes final (Act, section 28(a)).

(b) If the employer or carrier pays or tenders payment of compensation without an award pursuant to § 702.231 and section 14 (a) and (b) of this Act, and thereafter a controversy develops over the amount of additional compensation, if any, to which the employee may be entitled, the district director, administrative law judge, or Board shall set the matter for an informal conference and following such conference the district director, administrative law judge, or Board shall recommend in writing a disposition of the controversy. If the employer or carrier refuses to accept such written recommendation, within 14 days after its receipt by them, they shall pay or tender to the employee in writing the additional compensation, if any, to which they believe the employee is entitled. If the employee refuses to accept such payment or tender of compensation, and thereafter utilizes the services of an attorney at law, and if the compensation thereafter awarded is greater than the amount paid or tendered by the employer or carrier, a reasonable attorney's fee based solely upon the difference between the amount awarded and the amount tendered or paid shall be awarded in addition to the amount of compensation. The foregoing sentence shall not apply if the controversy relates to degree or length of disability, and if the employer or carrier offers to submit the case for evaluation by physicians employed or selected by

the district director, as authorized by section 7(e) of the Act and § 702.408, and offers to tender an amount of compensation based upon the degree or length of disability found by the independent medical report at such time as an evaluation of disability can be made. If the claimant is successful in review proceedings before the Board or court in any such case an award may be made in favor of the claimant and against the employer or carrier for a reasonable attorney's fee for claimant's counsel in accord with the above provisions. In all other cases any claim for legal services shall not be assessed against the employer or carrier (see Act, section 28(b)).

§ 702.135 Payment of claimant's witness fees and mileage in disputed claims.

In cases where an attorney's fee is awarded against an employer or carrier there may be further assessed against such employer or carrier as costs, fees and mileage for necessary witnesses attending the hearing at the instance of claimant. Both the necessity for the witness and the reasonableness of the fees of expert witnesses must be approved by the hearing officer, the Board, or the court, as the case may be. The amounts awarded against an employer or carrier as attorney's fees, costs, fees and mileage for witnesses shall not in any respect affect or diminish the compensation payable under this Act (see Act, section 28 (d)).

§ 702.143 Establishment of special fund.

Congress, by section 44 of the Act, 33 U.S.C. 944, established in the U.S. Treasury a special fund, to be administered by the Secretary. The Treasurer of the United States is the custodian of such fund, and all monies and securities in such fund shall be held in trust by the Treasurer and shall not be money or property of the United States. The Treasurer shall make disbursements from such funds only upon the order of the Director, OWCP, as delegatee of the Secretary. The Act requires that the Treasurer give bond, in an amount to be fixed and with securities to be approved by the Secretary of the Treasury and the Comptroller General of the United States, conditioned upon the faithful performance of his duty as custodian of such fund.

§ 702.144 Purpose of the special fund.

This special fund was established to give effect to a congressional policy determination that, under certain circumstances, the employer of a particular employee should not be required to bear the entire burden of paying for the compensation benefits due that employee under the Act. Instead, a substantial portion of such burden should be borne by the industry generally. Section 702.145 describes this special circumstance under which the particular employer is relieved of some of his burden. Section 702.146 describes the manner and circumstances of the input into the fund.

§ 702.145 Use of the special fund.

(a) *Under section 10 of the Act.* This section provides for initial and subsequent annual adjustments in compensation and continuing payments to beneficiaries in cases of permanent
