Any such award from the special fund shall be by order of the Director or Acting Director.

(c) *Under sections 8(g) and 39(c)(2) of the Act.* These sections, 33 U.S.C. 908(g) and 939(c)(2), respectively, provide for vocational rehabilitation of disabled employees, and authorize, under appropriate circumstances, a maintenance allowance for the employee (not to exceed \$25 a week) in addition to other compensation benefits otherwise payable for his injury-related disability. Awards under these sections are made from the special fund upon order of the Director or his designee. The district directors may be required to make investigations with respect to any case and forward to the Director their recommendations as to the propriety and need for such maintenance.

(d) *Under section 39(c)(2) of the Act.* In addition to the maintenance allowance for the employee discussed in paragraph (c) of this section, the Director is further authorized to use the fund in such amounts as may be necessary to procure the vocational training services.

(e) *Under section 7(e) of the Act.* This provision, 33 U.S.C. 907(e), authorizes payment by the Director from the special fund for special medical examinations, i.e., those obtained from impartial specialists to resolve disputes, when such special examinations are deemed necessary under that statutory provision. The Director has the discretionary power, however, to charge the cost of such examination to the insurance carrier or self-insured employer.

(f) *Under section 18(b) of the Act.* This section, 33 U.S.C. 918(b), provides a source for payment of compensation benefits in cases where the employer is insolvent, or other circumstances preclude the payment of benefits due in any case. In such situations, the district director shall forward the case to the Director for consideration of an award from the special fund, together with evidence with respect to the em-

Benefits, as herein used, means medical care or supplies within the meaning of section 7 of the Act, 33 U.S.C. 907, and subpart D of this part 702, as well as monetary benefits. Upon receipt of the case, the Director shall promptly determine whether an award from the special fund is appropriate and advisable in the case, having due regard for all other current commitments from the special fund. If such an award is made, the employer shall be liable for the repayment into the fund of the amounts paid therefrom, as provided in 33 U.S.C. 918(b).

§ 702.146 Source of the special fund.

(a) All amounts collected as fines and penalties under the several provisions of the Act shall be paid into the special fund (33 U.S.C. 44(c)(3)).

(b) Whenever an employee dies under circumstances creating a liability on an employer to pay death benefits to the employee's beneficiaries, and whenever there are no such beneficiaries entitled to such payments, the employer shall pay \$5,000 into the special fund (Act, section 44(c)(1)). Compensation orders shall be made and filed in accordance with the regulations in subpart C of this part 702, except that for this purpose the district director settling the case under § 702.315 shall formalize the memorandum of conference in a compensation order, and shall file such order as provided for in § 702.349.

and self-insured employers authorized under the Act and part 703 of this subchapter to replenish the fund. That total amount to be charged all carriers and self-insurers to be assessed shall be based upon an estimate of the probable expenses of the fund during the calendar year. The assessment against each carrier and self-insurer shall be based upon (1) the ratio of the amount each paid during the prior calendar year for compensation in relation to the amount all such carriers of self-insurers paid during that period for compensation, and (2) the ratio of the amount of payments made by the special fund for all cases being paid under section 8(f) of the Act, 33 U.S.C. 908(f), during the preceding calendar year which are attributable to the carrier or self-insurer in relation to the total of such payments during such year attributable to all carriers and self-insurers. The resulting sum of the percentages from paragraphs (c) (1) and (2) of this section will be divided by two, and the resulting percentage multiplied by the probable expenses of the fund. The Director may, in his or her discretion, condition continuance or renewal of authorization under part 703 upon prompt payment of the assessment. However, no action suspending or revoking such authorization shall be taken without affording such carrier or self-insurer a hearing before the Director or his/her designee.
