and self-insured employers authorized under the Act and part 703 of this subchapter to replenish the fund. That total amount to be charged all carriers and self-insurers to be assessed shall be based upon an estimate of the probable expenses of the fund during the calendar year. The assessment against each carrier and self-insurer shall be based upon (1) the ratio of the amount each paid during the prior calendar year for compensation in relation to the amount all such carriers of self-insurers paid during that period for compensation, and (2) the ratio of the amount of payments made by the special fund for all cases being paid under section 8(f) of the Act, 33 U.S.C. 908(f), during the preceding calendar year which are attributable to the carrier or self-insurer in relation to the total of such payments during such year attributable to all carriers and self-insurers. The resulting sum of the percentages from paragraphs (c) (1) and (2) of this section will be divided by two, and the resulting percentage multiplied by the probable expenses of the fund. The Director may, in his or her discretion, condition continuance or renewal of authorization under part 703 upon prompt payment of the assessment. However, no action suspending or revoking such authorization shall be taken without affording such carrier or self-insurer a hearing before the Director or his/her designee.
