requirement the Office may in its discretion accept an adequate report of a certified public accountant.

(Approved by the Office of Management and Budget under control number 1215-0033)

(Pub. L. No. 96-511)

[38 FR 26873, Sept. 26, 1973, as amended at 49 FR 18294, Apr. 30, 1984; 50 FR 407, Jan. 3, 1985]

§ 703.311 Period of authorization as self-insurer.

(a) Effective with the end of the authorization period July 1, 1983, through June 30, 1984, annual reauthorization of the self-insurance privilege is no longer necessary. Beginning July 1, 1984, and thereafter, newly approved and renewed self-insurance authorizations will remain in effect for so long as the self-insurer complies with the requirements of the OWCP.

(b) A self-insurer who currently has on file an indemnity bond, will receive from the office, on or about May 10 of each year, a bond form for execution in contemplation of the continuance of the self-insurance authorization, and the submission of such bond duly executed in the amount indicated by the office will be deemed and treated as a condition of the continuing authorization.

[50 FR 407, Jan. 3, 1985]

§ 703.312 Revocation of privilege of self-insurance.

The Office may for good cause shown suspend or revoke the authorization of any self-insurer. Failure by a self-insurer to comply with any provision or requirement of law or of the regulations in this part, or with any lawful order or communication of the Office, or the failure or insolvency of the surety on his indemnity bond, or impairment of financial responsibility of such self-insurer, shall be deemed good cause for such suspension or revocation.

ISSUANCE OF CERTIFICATES OF COMPLIANCE

§ 703.501 Issuance of certificates of compliance.

Every employer who has secured the payment of compensation as required by 33 U.S.C. 932 and by the regulations

20 CFR Ch. VI (4-1-01 Edition)

in this part may request a certificate from the district director in the compensation district in which he has operations, and for which a certificate is required by 33 U.S.C. 937, showing that such employer has secured the payment of compensation. Only one such certificate will be issued to an employer in a compensation district, and it will be valid only during the period for which such employer has secured such payment. An employer so desiring may have photocopies of such a certificate made for use in different places within the compensation district. Two forms of such certificates have been provided by the Office, one form for use where the employer has obtained insurance generally under these regulations, and one for use where the employer has been authorized as a self-insurer.

§ 703.502 Same; employer operating temporarily in another compensation district.

A district director receiving a report of the issuance of a policy of insurance with the notation authorized by § 703.119, will file such report until he receives from the insured employer named therein a request for certificate of compliance, giving the address of the employer within the compensation district of such district director. Upon receipt of such a request the district director will send the proper certificate of compliance to such employer at such address.

§ 703.503 Return of certificates of compliance.

Upon the termination by expiration, cancellation or otherwise, of a policy of insurance issued under the provisions of law and these regulations, or the revocation or termination of the privilege of self-insurance granted by the Office, all certificates of compliance issued on the basis of such insurance or self-insurance shall be void and shall be returned by the employer to the district director issuing them with a statement of the reason for such return. An employer holding certificate of compliance under an insurance policy which has expired, pending renewal of such insurance need not return such certificate of compliance if such expired insurance is promptly replaced.

An employer who has secured renewal of insurance upon the expiration of policy under said Act or whose self-insurance thereunder is reauthorized without a break in the continuity thereof need not return an expired certificate of compliance.
