§ 352.1 Governing regulations.

Series HH bonds are subject to the regulations of the Department of the Treasury, now or hereafter prescribed, governing United States Savings Bonds of Series EE and HH contained in Department of the Treasury Circular, Public Debt Series No. 3-80, as amended (31 CFR part 353), hereinafter referred to as Circular No. 3-80.

§ 352.2 Description of bonds.

(a) *General.* Series HH bonds are issued only in registered form and are nontransferable. The bonds are distinguishable by the portraits, color, border design, tax-deferral legend, and text material.

(b) *Denominations and prices.* Series HH bonds are issued at face amount

and are in denominations of \$500, \$1,000, \$5,000 and \$10,000.

(c) *Term.* Each bond bears an issue date which is the date from which interest is earned. The date is established as provided in § 352.7(f). Series HH bonds have an original maturity period of 10 years and have been granted an extended maturity period of 10 years; they will reach final maturity 20 years from their issue dates.

(d) *Redemption.* A Series HH bond may be redeemed after six months from its issue date. The Secretary of the Treasury may not call Series HH bonds for redemption prior to maturity. In any case where Series HH bonds are surrendered to an authorized paying agent for redemption in the month prior to an interest payment date, redemption will not be deferred but will be made in regular course, unless the presenter specifically requests that the transaction be delayed until that date. A request to defer redemption made more than one month preceding the interest payment date will not be accepted.

(e) *Investment yield (interest).* (1) During original maturity. Interest payments on Series HH bonds will produce the investment yields specified below during their original maturity period:

(i) *Current offering.* Series HH bonds issued on or after March 1, 1993, yield 4 percent per annum, paid semiannually, to original maturity. See Table 1 in the Appendix to this Circular.

(ii) *Bonds with issue dates of November 1, 1986, through February 1, 1993.* Series HH bonds with issue dates of November 1, 1986, through February 1, 1993, yield 6 percent per annum, paid semiannually, to original maturity.

Interest ceases at final maturity or, if the bond is redeemed before final maturity, as of the end of the interest period preceding the date of redemption. If the redemption date falls on an interest payment date, interest ceases on that date.

(1) *Bonds issued on or after October 1, 1989.* Interest on Series HH bonds issued on or after October 1, 1989, will be paid by the automated clearing house (ACH) method to the registered owner or co-owner's account at a financial institution, unless the Bureau of the Public Debt determines that extraordinary
