(2) If a minor named on a bond as owner, coowner, or beneficiary is not of sufficient competency and understanding to request payment, the parents or other person authorized to request payment under § 360.63 will ordinarily be required to join in the application.

(e) If the application is approved, relief will be granted either by the issuance of a bond bearing the same issue date as the bond for which the claim was filed or by the issuance of a remittance in payment.

§ 360.27 Application for relief; non-receipt of bond.

If a bond issued on any transaction is not received, the issuing agent must be notified as promptly as possible and given all information available about the nonreceipt. An appropriate form and instructions will be provided. If the application is approved, relief will be granted by the issuance of a bond bearing the same issue date as the bond that was not received. Also, relief is authorized for the issuance of bonds for which the Secretary has not received payment, in order to preserve public confidence in dealing with issuing agents.

§ 360.28 Recovery or receipt of bond before or after relief is granted.

(a) If a bond reported lost, stolen, destroyed, or not received, is recovered or received before relief is granted, the Bureau of the Public Debt, Parkersburg, WV 26106-1328, must be notified promptly.

(b) A bond for which relief has been granted is the property of the United States and, if recovered, must be promptly submitted to the Bureau of the Public Debt, Parkersburg, 26106-1328, for cancellation.

§ 360.29 Adjudication of claims.

(a) *General.* The Bureau of the Public Debt will adjudicate claims for lost, stolen or destroyed bonds on the basis

of records created and regularly maintained in the ordinary course of business.

(b) *Claims filed 10 years after payment.* Any claim filed 10 years or more after the recorded date of redemption or other retirement will be barred.

(c) *Claims filed 10 years after maturity.* Any claim filed 10 years or more after the maturity of a savings bond will be barred.

Subpart G—General Provisions for Payment

§ 360.35 Payment (redemption).

(a) *General.* Payment of a Series I savings bond will be made to the person or persons entitled under the provisions of the regulations in this part, except that the redemption payment will not be delivered to addresses in areas with respect to which the Department of the Treasury restricts or regulates the delivery of remittances, including checks and electronic payments, drawn against funds of the United States. See Department of the Treasury Circular No. 655, current revision (31 CFR part 211). Payment will be made without regard to any notice of adverse claims to a bond and no stoppage or caveat against payment of a bond will be entered.

(b) *Mandatory initial holding period.* A Series I bond will be paid at any time after six months from issue date at the current redemption value determined in the manner described in Department of the Treasury Circular, Public Debt Series No. 1-98 (31 CFR part 359).

§ 360.36 Payment during life of sole owner.

A savings bond registered in single ownership form (i.e., without a coowner or beneficiary) will be paid to the owner during his or her lifetime upon surrender with an appropriate request.

§ 360.37 Payment during lives of both coowners.

A savings bond registered in coownership form will be paid to either coowner upon surrender with an appropriate request, and upon payment (as determined in § 360.43), the other coowner will cease to have any interest

§ 360.38 Payment during lifetime of owner of beneficiary bond.

A savings bond registered in beneficiary form will be paid to the registered owner during his or her lifetime upon surrender with an appropriate request. Upon payment (as determined in § 360.43) the beneficiary will cease to have any interest in the bond.

§ 360.39 Surrender for payment.

(a) *Procedure for definitive bonds of Series I presented at authorized paying agents.* The owner, coowner, or other person entitled to payment of a definitive Series I bond may present the bond to an authorized paying agent for redemption. The presenter must establish his or her identity and entitlement to payment in accordance with Treasury instructions and identification guidelines. The presenter must sign the request for payment on the bond or, if authorized, on a separate detached request, and add his or her address. If the request for payment has been signed, or signed and certified, before presentation of the bond, the paying agent must be satisfied that the person presenting the bond for payment is the owner, coowner, or other person entitled to payment, and may require the person to sign the request for payment again. If the bond is in order for payment, the paying agent will make payment at the current redemption value without charge to the presenter. Paying agents are not authorized to process any case involving partial redemption.

(b) *Procedure for all other cases.* In the case of definitive bonds to which the procedure in paragraph (a) of this section, does not apply, or if otherwise preferred, the owner or coowner, or other person entitled to payment should establish his or her identity to the satisfaction of an officer authorized by the regulations in this part to certify requests for payment, sign the requests for payment, and provide delivery information for the payment. The bonds must be forwarded to a designated Federal Reserve Bank or

In all cases, the cost and risk of presentation of a bond will be borne by the owner. Payment will be made to the registered owner or other person entitled and will be delivered according to the instructions of the owner or the other person entitled and the regulations in this part.

(c) *Date of request.* Requests executed more than six months before the date of receipt of a bond for payment will not be accepted. Neither will a bond be accepted if payment is requested as of a date more than three months in the future.

§ 360.40 Special provisions for payment.

(a) *Owner's signature not required.* A bond may be paid by a paying agent or a designated Federal Reserve Bank or Branch without the owner's signature to the request for payment if the bond bears the special endorsement of a paying agent specifically qualified to place such an endorsement on savings bonds.

(b) *Signature by mark.* A signature by mark (X) must be witnessed by at least one disinterested person and a certifying officer. See subpart I of this part. The witness must attest to the signature by mark substantially as follows: "Witness to signature by mark", followed by his or her signature and address.

(c) *Name change.* If the name of the owner, coowner, or other person entitled to payment, as it appears in the registration or in any related evidence or documents has been changed in any legal manner, the signature to the request for payment must show both names and the manner in which the change was made; for example, "Mary T. Jones Smith (Mary T. J. Smith or Mary T. Smith) changed by marriage from Mary T. Jones", or "John R. Young, changed by order of court from Hans R. Jung". See § 360.50.
