**§ 501.603 Reports on blocked property.**

(a) *Who must report*—(1) *Holders of blocked property.* Any person, including a financial institution, holding property blocked pursuant to this chapter must report. The requirement includes financial institutions that receive and block payments or transfers. This requirement is mandatory and applies to all U.S. persons (or persons subject to U.S. jurisdiction in the case of parts

No person is excused from filing a report by reason of the fact that another person has submitted a report with regard to the same property, except upon actual knowledge of the report filed by such other person. Reports filed are regarded as privileged and confidential.

(3) *Financial institutions.* For purposes of this section, the term “financial institution” shall include a banking institution, domestic bank, United States depository institution, financial institution, or U.S. financial institution, as those terms are defined in the applicable part of this chapter.

(b) *What must be reported*—(1) *Initial reports*—(i) *When reports are due.* Reports are required to be filed within 10 business days from the date that property becomes blocked. This reporting requirement includes payments or transfers that are received and blocked by financial institutions.

(ii) *Contents of reports.* Initial reports on blocked property shall describe the owner or account party, the property, its location, any existing or new account number or similar reference necessary to identify the property, actual or estimated value and the date it was blocked, and shall include the name and address of the holder, along with the name and telephone number of a contact person from whom compliance information can be obtained. If the report is filed by a financial institution and involves the receipt of a payment or transfer of funds which are blocked by the financial institution, the report
