(1) The sale of agricultural commodities and products, if those commodities and products are intended for ultimate consumption in Libya as:

(EAR99 items may in certain instances require a license from the Department of Commerce, Bureau of Export Administration. See, e.g., 15 CFR 736.2(b)(5), 744.2 through 744.4, 744.7, and 744.10.)

(3) Set forth all terms of sale (e.g., purchase price, quantity, date of shipment, financing), except that dates for contract performance may be made dependent upon the date a specific license pursuant to paragraph (d) of this section is obtained from the Office of Foreign Assets Control;

(4) Make any performance involving the exportation or reexportation of any goods, technology or services (including technical data, software, or information) that are subject to license application requirements of another Federal agency contingent upon the prior authorization of that agency. (For example, items classified EAR99 under the Export Administration Regulations, 15 CFR parts 730 through 774, may in certain instances require a license from the Department of Commerce, Bureau of Export Administration.
