

§ 1102.38

12 CFR Ch. XI (1–1–04 Edition)

§ 1102.38 Compliance activities.

(a) Where, from complaints received from members of the public, communications from Federal or State agencies, examination of information by the ASC, or otherwise, it appears that a person has violated, is violating or is about to violate title XI of FIRREA or the rules or regulations thereunder, the ASC staff may commence an informal, preliminary inquiry into the matter. If, upon such inquiry, it appears that one or more allegations relate to possible violations of regulations administered by another agency or instrumentality of the Federal Government, then the matter shall be referred to that agency or instrumentality for appropriate action. The ASC, pursuant to its responsibilities under section 1103(a)(2) of title XI (12 U.S.C. 3332(a)(2)) and section 1119(c) of title XI (12 U.S.C. 3348)), shall monitor the matter. If, upon inquiry, it appears that one or more allegations are within the ASC's jurisdiction, then the ASC, in its discretion, may determine to commence a formal investigation respecting the matter and shall instruct the Secretary to create a public file for the formal investigation. The Secretary shall place in that file a memorandum naming the person or persons subject to the investigation and the statutory basis for the investigation.

(b) Unless otherwise instructed by the ASC or required by law, the Secretary shall ensure that all other papers, documents and materials gathered or submitted in connection with the investigation are non-public and for ASC use only.

(c) Persons who become involved in preliminary inquiries or formal investigations may, on their own initiative, submit a written statement to the Secretary setting forth their interests, positions or views regarding the subject matter of the investigation. Upon request, the staff, in its discretion, may advise such persons of the general nature of the investigation, including the indicated violations as they pertain to them and the amount of time that may be available for preparing and submitting such a statement prior to the presentation of a staff recommendation to the ASC. Upon the commencement of a formal investigation or a proceeding

under this subpart, the Secretary shall place any such statement in the appropriate public file.

(d) In instances where the staff has concluded its inquiry of a particular matter and has determined that it will not recommend the commencement of a formal investigation or a proceeding under this subpart against a person, the staff shall advise the person that its inquiry has been terminated. Such advice, if given, must in no way be construed as indicating that the person has been exonerated or that no action may ultimately result from the staff's inquiry into the particular matter.

§ 1102.39 Duty to cooperate.

In the course of the investigations and proceedings, the ASC (and its staff, with appropriate authorization) must provide parties or persons ample opportunity to work out problems by consent, by settlement, or in some other manner.

§ 1102.100 Authority, purpose and scope.

(a) This subpart is issued under the Privacy Act of 1974, Public Law 93-579, 88 Stat. 1896; 12 U.S.C. 552a, as amended.

(b) The Privacy Act of 1974 is based, in part, on the finding by Congress that "in order to protect the privacy of individuals identified in information systems maintained by Federal agencies, it is necessary and proper for the Congress to regulate the collection, maintenance, use, and dissemination of information by such agencies." To achieve this objective, the Act generally provides that Federal agencies must advise an individual upon request whether records maintained by the agency in a system of records pertain to the individual and must grant the individual access to such records. The

Act further provides that individuals may request amendments to records pertaining to them that are maintained by the agency, and that the agency shall either grant the requested amendments or set forth fully its reasons for refusing to do so.

(c) The Appraisal Subcommittee of the Federal Financial Institutions Examination Council (ASC), pursuant to subsection (f) of the Privacy Act, adopts the following rules and procedures to implement the provisions of the Act summarized above and other provisions of the Act. These rules and procedures are applicable to all requests for information and access or amendment to records pertaining to an individual that are contained in any system of records that is maintained by the ASC.

§ 1102.101 Definitions.

The following definitions shall apply for purposes of this subpart:

(a) The terms *individual*, *maintain*, *record*, *system of records*, and *routine use* are defined for purposes of these rules as they are defined in 5 U.S.C. 552a(a)(2), (a)(3), (a)(4), (a)(5) and (a)(7).

(b) *ASC* or *Subcommittee* means the Appraisal Subcommittee of the Federal Financial Institutions Examination Council.

(c) *Privacy Act Officer* means the ASC's Associate Director for Administration or such other ASC staff officer, other than the Executive Director, duly designated by the ASC's Executive Director.

§ 1102.102 Times, places and requirements for requests pertaining to individual records in a record system and for the identification of individuals making requests for access to records pertaining to them.

(a) *Place to make request.* Any request by an individual to be advised whether any system of records maintained by the ASC and named by the individual contains a record pertaining to him or her, or any request by an individual for access to a record pertaining to him or her that is contained in a system of records maintained by the ASC, shall be submitted in person at the ASC between 9 a.m. and 4:30 p.m., Monday through Friday, which is located at 2100 Pennsylvania Avenue, NW., suite

All requests will be required to be put in writing and signed by the individual making the request. In the case of requests for access that are made by mail, the envelope should be clearly marked "Privacy Act Request."

(1) *Information to be included in requests.* Each request by an individual concerning whether the ASC maintains in a system of records a record that pertains to the individual, or for access to any record pertaining to the individual that is maintained by the ASC in a system of records, shall include such information as will assist the ASC in identifying those records as to which the individual is seeking information or access. Where practicable, the individual should identify the system of records that is the subject of his or her request by reference to the ASC's notices of systems of records, which are published in the FEDERAL REGISTER, as required by section (e)(4) of the Privacy Act, 5 U.S.C. 552a(e)(4). Where a system of records is compiled on the basis of a specific identification scheme, the individual should include in his or her request the identification number or other identifier assigned to the individual. In the event the individual does not know that number or identifier, the individual shall provide other information, including his or her full name, address, date of birth and subject matter of the record, to aid in processing his or her request. If additional information is required before a request can be processed, the individual shall be so advised.

(2) *Verification of identity.* When the fact of the existence of a record is not required to be disclosed under the Freedom of Information Act, 5 U.S.C. 552, as amended, or when a record as to which access has been requested is not required to be disclosed under that Act, the individual seeking the information or requesting access to the record shall be required to verify his or her identity before access will be granted or information given. For this purpose, individuals shall appear at the ASC located at 2100 Pennsylvania Avenue, NW., suite 200, Washington, DC., between 9
