Subpart C—Administrative Offset

§ 1704.40 Authority and scope.

OFHEO may collect a debt owed to the Federal Government from a person, organization, or other entity by administrative offset, pursuant to 31 U.S.C. 3716, where:

- (a) The debt is certain in amount;
- (b) Administrative offset is feasible, desirable, and not otherwise prohibited;
- (c) The applicable statute of limitations has not expired; and
- (d) Administrative offset is in the best interest of the Federal Government.

§ 1704.41 Administrative offset prior to completion of procedures.

Prior to the completion of the procedures described in §1704.42, OFHEO may effect administrative offset if failure to offset would substantially prejudice its ability to collect the debt, and if the time before the payment is to be made does not reasonably permit completion of the procedures described in §1704.42. Such prior administrative offset shall be followed promptly by the completion of the procedures described in §1704.42.

§ 1704.42 Procedures.

Unless the procedures described in §1704.41 are used, prior to collecting any debt by administrative offset or referring such claim to another agency for collection through administrative offset, OFHEO shall provide the debtor with the following:

- (a) Written notification of the nature and amount of the debt, the intention of OFHEO to collect the debt through administrative offset, and a statement of the rights of the debtor under this section;
- (b) An opportunity to inspect and copy the records of OFHEO related to the debt that are not exempt from disclosure;

(c) An opportunity for review within OFHEO of the determination of indebtedness. Any request for review by the debtor shall be in writing and shall be submitted to OFHEO within 30 calendar days of the date of the notice of the offset. OFHEO may waive the time limits for requesting review for good cause shown by the debtor. OFHEO shall provide the debtor with a reasonable opportunity for an oral hearing when:

(1) An applicable statute authorizes or requires OFHEO to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) The debtor requests reconsideration of the debt and OFHEO determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, as for example, when the validity of the debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this subpart C is not required to be a formal evidentiary hearing, although OFHEO shall document all significant matters discussed at the hearing. In those cases where an oral hearing is not required by this subpart C, OFHEO shall make its determination on the request for waiver or reconsideration based upon a review of the written record; and

(d) An opportunity to enter into a written agreement for the repayment of the amount of the claim at the discretion of OFHEO.
