

Federal Deposit Insurance Corporation

§ 362.6

under this subpart may continue that activity or retain that investment without seeking the FDIC's consent, provided that the insured State bank and its subsidiary, if applicable, continue to meet the conditions and restrictions of the approval. An insured State bank which was granted approval based on conditions which differ from the requirements of § 362.4(c)(2), (d) and (e) will be considered to meet the conditions and restrictions of the approval relating to being an eligible subsidiary, meeting investment and transactions limits, and meeting capital requirements if the insured State bank and subsidiary meet the requirements of § 362.4(c)(2), (d) and (e). If the majority-owned subsidiary is engaged in real estate investment activities not exceeding 2 percent of the tier one capital of a bank and meeting the other conditions of § 362.4(b)(5)(i), the majority-owned subsidiary's compliance with § 362.4(c)(2) under the preceding sentence may be pursuant to the modifications authorized by § 362.4(b)(5)(i). Once an insured State bank elects to comply with § 362.4(c)(2), (d), and (e), it may not revert to the corresponding provisions of the approval order.

(b) *Approvals by regulation—*

(1)–(5) [Reserved]

(6) *Adjustable rate or money market preferred stock.* An insured State bank owning adjustable rate or money market (auction rate) preferred stock pursuant to § 362.4(c)(3)(v) in effect prior to January 1, 1999 (see 12 CFR part 362 revised as of January 1, 1998), in excess of the amount limit in § 362.3(b)(2)(iii) may continue to hold any overlimit shares of such stock acquired before January 1, 1999, until redeemed or repurchased by the issuer, but such stock shall be included as part of the amount limit in § 362.3(b)(2)(iii) when determining whether the bank may acquire new stock thereunder.

(c) *Charter conversions.* (1) An insured State bank that has converted its charter from an insured state savings association may continue activities through a majority-owned subsidiary that were permissible prior to the time it converted its charter only if the insured State bank receives the FDIC's consent. Except as provided in paragraph (c)(2) of this section, the insured

State bank should apply under § 362.4(b)(1), submit any notice required under § 362.4(b)(4) or (5), or comply with the provisions of § 362.4(b)(3), (6), or (7) if applicable, to continue the activity.

(2) *Exception for prior consent.* If the FDIC had granted consent to the savings association under section 28 of the Federal Deposit Insurance Act (12 U.S.C. 1831(e)) prior to the time the savings association converted its charter, the insured State bank may continue the activities without providing notice or making application to the FDIC, provided that the bank and its subsidiary as applicable are in compliance with:

(i) The terms of the FDIC approval order; and

(ii) The provisions of § 362.4(c)(2), (d), and (e) regarding operating as an "eligible subsidiary", "investment and transaction limits", and "capital requirements".

(3) *Divestiture.* An insured State bank that does not receive FDIC consent shall divest of the nonconforming investment as soon as practical but in no event later than two years from the date of charter conversion.

Subpart B—Safety and Soundness Rules Governing Insured State Nonmember Banks

§ 362.6 Purpose and scope.

This subpart, along with the notice and application procedures in subpart G of part 303 of this chapter apply to certain banking practices that may have adverse effects on the safety and soundness of insured state nonmember banks. This subpart contains the required prudential separations between certain securities underwriting affiliates and insured state nonmember banks. The standards only will apply to affiliates of insured state nonmember banks that are not controlled by an entity that is supervised by a federal banking agency.
