

under the lending, investment and service tests, the community development test, the small savings association performance standards, or an approved strategic plan, as applicable.

(b) *Lending, investment, and service tests.* The OTS assigns a rating for a savings association assessed under the lending, investment, and service tests in accordance with the following principles:

(1) A savings association that receives an “outstanding” rating on the lending test receives an assigned rating of at least “satisfactory”;

(2) A savings association that receives an “outstanding” rating on both the service test and the investment test and a rating of at least “high satisfactory” on the lending test receives an assigned rating of “outstanding”; and

(3) No savings association may receive an assigned rating of “satisfactory” or higher unless it receives a rating of at least “low satisfactory” on the lending test.

(c) *Effect of evidence of discriminatory or other illegal credit practices.* Evidence of discriminatory or other illegal credit practices adversely affects the OTS’s evaluation of a savings association’s performance. In determining the effect on the savings association’s assigned rating, the OTS considers the nature and extent of the evidence, the policies and procedures that the savings association has in place to prevent discriminatory or other illegal credit practices, any corrective action that the savings association has taken or has committed to take, particularly voluntary corrective action resulting from self-assessment, and other relevant information.

§ 563e.29 Effect of CRA performance on applications.

(a) *CRA performance.* Among other factors, the OTS takes into account the record of performance under the CRA of each applicant savings association, and for applications under section 10(e) of the Home Owners’ Loan Act (12 U.S.C. 1467a(e)), of each proposed subsidiary savings association, in considering an application for:

(1) The establishment of a domestic branch or other facility that would be authorized to take deposits;

(4) A Federal thrift charter; and

(5) Acquisitions subject to section 10(e) of the Home Owners’ Loan Act (12 U.S.C. 1467a(e)).

(b) *Charter application.* An applicant for a Federal thrift charter shall submit with its application a description of how it will meet its CRA objectives. The OTS takes the description into account in considering the application and may deny or condition approval on that basis.

(c) *Interested parties.* The OTS takes into account any views expressed by interested parties that are submitted in accordance with the applicable comment procedures in considering CRA performance in an application listed in paragraphs (a) and (b) of this section.

(d) *Denial or conditional approval of application.* A savings association’s record of performance may be the basis for denying or conditioning approval of an application listed in paragraph (a) of this section.

(e) *Insured depository institution.* For purposes of this section, the term “insured depository institution” has the meaning given to that term in 12 U.S.C. 1813.
