

§ 711.6

12 CFR Ch. VII (1-1-04 Edition)

§ 711.6 General exemption.

(a) *Exemption.* NCUA may, by agency order issued following receipt of an application, exempt an interlock from the prohibitions in § 711.3, if NCUA finds that the interlock would not result in a monopoly or substantial lessening of competition, and would not present other safety and soundness concerns.

(b) *Presumptions.* In reviewing applications for an exemption under this section, NCUA will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

- (1) Primarily serves, low- and moderate-income areas;
- (2) Is controlled or managed by persons who are members of a minority group or women;
- (3) Is a depository institution that has been chartered for less than two years; or
- (4) Is deemed to be in "troubled condition" as defined in § 701.14(b)(3) of this chapter.

(c) *Duration.* Unless a shorter expiration period is provided in the NCUA approval, an exemption permitted by paragraph (a) of this section may continue so long as it would not result in a monopoly or substantial lessening of competition, or be unsafe or unsound. If the NCUA grants an interlock exemption in reliance upon a presumption under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided in the approval.

§ 711.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service if a change in circumstances causes the service to become prohibited. A change in circumstances may include, but is not limited to, an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an increase in the aggregate deposits of the depository organization, or an acquisition, merger, consolidation, or reorganization of the ownership structure of

a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the depository organization involved in the interlock for 15 months following the date of the change in circumstances. NCUA may shorten this period under appropriate circumstances.

§ 711.8 Enforcement.

Except as provided in this section, NCUA administers and enforces the Interlocks Act with respect to federally insured credit unions, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part.
