

§ 711.6

12 CFR Ch. VII (1-1-04 Edition)

§ 711.6 General exemption.

(a) *Exemption.* NCUA may, by agency order issued following receipt of an application, exempt an interlock from the prohibitions in § 711.3, if NCUA finds that the interlock would not result in a monopoly or substantial lessening of competition, and would not present other safety and soundness concerns.

(b) *Presumptions.* In reviewing applications for an exemption under this section, NCUA will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

- (1) Primarily serves, low- and moderate-income areas;
- (2) Is controlled or managed by persons who are members of a minority group or women;
- (3) Is a depository institution that has been chartered for less than two years; or
- (4) Is deemed to be in "troubled condition" as defined in § 701.14(b)(3) of this chapter.

(c) *Duration.* Unless a shorter expiration period is provided in the NCUA approval, an exemption permitted by paragraph (a) of this section may continue so long as it would not result in a monopoly or substantial lessening of competition, or be unsafe or unsound. If the NCUA grants an interlock exemption in reliance upon a presumption under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided in the approval.

§ 711.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service if a change in circumstances causes the service to become prohibited. A change in circumstances may include, but is not limited to, an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an increase in the aggregate deposits of the depository organization, or an acquisition, merger, consolidation, or reorganization of the ownership structure of

a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the depository organization involved in the interlock for 15 months following the date of the change in circumstances. NCUA may shorten this period under appropriate circumstances.

§ 711.8 Enforcement.

Except as provided in this section, NCUA administers and enforces the Interlocks Act with respect to federally insured credit unions, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part.

§ 712.1 What does this part cover?

This part establishes when a Federal credit union (FCU) can invest in and make loans to CUSOs. CUSOs are subject to review by NCUA. This part does not apply to corporate credit unions that have CUSOs subject to § 704.11 of

National Credit Union Administration

§ 712.3

this title. This part does not apply to state-chartered credit unions or the subsidiaries of state-chartered credit unions that do not have FCU investments or loans.

§ 712.2 How much can an FCU invest in or loan to CUSOs, and what parties may participate?

(a) *Investments.* An FCU's total investments in CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report.

(b) *Loans.* An FCU's total loans to CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report. Loan authority is independent and separate from the 1% investment authority of subsection (a) of this section.

(c) *Parties.* An FCU may invest in or loan to a CUSO by itself, with other credit unions, or with non-credit union parties.

(d) *Measurement for calculating regulatory limitation.* For purposes of paragraphs (a) and (b) of this section:

(1) *Paid-in and unimpaired capital and surplus* means shares plus post-closing, undivided earnings (this does not include regular reserves or special reserves required by law, regulation or special agreement between the credit union and its regulator or share insurer); and

(2) Total investments in and total loans to CUSOs will be measured consistent with GAAP.

(e) *Divestiture.* If the limitations in paragraph (a) of this section are reached or exceeded because of the profitability of the CUSO and the related GAAP valuation of the investment under the equity method, without an additional cash outlay by the FCU, divestiture is not required. An FCU may continue to invest up to 1% without regard to the increase in the GAAP valuation resulting from a CUSO's profitability.

[63 FR 10756, Mar. 5, 1998, as amended at 64 FR 33187, June 22, 1999; 66 FR 65624, Dec. 20, 2001]

§ 712.3 What are the characteristics of and what requirements apply to CUSOs?

(a) *Structure.* An FCU can invest in or loan to a CUSO only if the CUSO is structured as a corporation, limited liability company, or limited partnership. An FCU may only participate in a limited partnership as a limited partner. For purposes of this part, "corporation" means a legally incorporated corporation as established and maintained under relevant federal or state law. For purposes of this part, "limited partnership" means a legally established limited partnership as established and maintained under relevant state law. For purposes of this part, "limited liability company" means a legally established limited liability company as established and maintained under relevant state law, provided that the FCU obtains written legal advice that the limited liability company is a recognized legal entity under the applicable laws of the state of formation and that the limited liability company is established in a manner that will limit potential exposure of the FCU to no more than the amount of funds invested in, or loaned to, the CUSO.

(b) *Customer base.* An FCU can invest in or loan to a CUSO only if the CUSO primarily serves credit unions, its membership, or the membership of credit unions contracting with the CUSO.

(c) *Federal credit union accounting for financial reporting purposes.* An FCU must account for its investments in or loans to a CUSO in conformity with "generally accepted accounting principles" (GAAP).

(d) *CUSO accounting; audits and financial statements; NCUA access to information.* An FCU must obtain written agreements from a CUSO, prior to investing in or lending to the CUSO, that the CUSO will:

(1) Account for all its transactions in accordance with GAAP;

(2) Prepare quarterly financial statements and obtain an annual opinion audit, by a licensed Certified Public Accountant, on its financial statements in accordance with "generally
