

§ 741.201

(9) Accounting procedures used to identify branch activity and performance; and

(10) Foreign income taxation and employment law.

(d) *Revocation of Approval.* A state regulator that revokes approval of the branch office must notify NCUA of the action once it issues the notice of revocation. The regional director may revoke approval of the branch office for failure to follow the business plan in a material respect or for substantive and documented safety and soundness reasons. If the regional director revokes the approval, the credit union will have six months from the date of the revocation letter to terminate the operations of the branch. The credit union can appeal this revocation directly to the NCUA Board within 30 days of the date of the revocation letter.

(e) *Insurance Coverage.* Accounts at foreign branches are insured by the NCUSIF only if denominated in U.S. dollars and only if payable, by the terms of the account agreement, at a U.S. office of the credit union. If the host country requires insurance from its own system, accounts will not be insured by the National Credit Union Share Insurance Fund.
