

§ 742.6

any auto loan, credit card loan, member business loan, student loan or mortgage loan from any federally insured credit union as long as the loans are loans that the purchasing credit union is empowered to grant. RegFlex credit unions are authorized to keep these loans in their portfolio. If a RegFlex credit union is purchasing the eligible obligations of a liquidating credit union, the loans purchased cannot exceed 5% of the unimpaired capital and surplus of the purchasing credit union.

§ 742.6 How can I lose my RegFlex eligibility?

Eligibility may be lost in two ways. First, the credit union no longer meets the RegFlex criteria set forth in § 742.1. When this event occurs, the credit union must cease using the additional authority granted by this rule. Second, the regional director for substantive and documented safety and soundness reasons may revoke a credit union's RegFlex authority in whole or in part. The regional director must give a credit union written notice stating the reasons for this action. The revocation is effective as soon as the regional director's determination has been received by the credit union.

§ 742.7 What is the appeal process?

A credit union has 60 days from the date of the regional director's determination to revoke a credit union's RegFlex authority (in whole or in part) to appeal the action to NCUA's Supervisory Review Committee. The regional director's determination will remain in effect unless the Supervisory Review Committee issues a different determination. If the credit union is dissatisfied with the decision of the Supervisory Review Committee, the credit union has 60 days from the issuance of this decision to appeal to the NCUA Board.

§ 742.8 If I lose my RegFlex authority, will my past actions be grandfathered?

Any action by the credit union under the RegFlex authority will be grandfathered. Any actions subsequent to losing the RegFlex authority must meet NCUA's regulatory requirements.

12 CFR Ch. VII (1-1-04 Edition)

This does not diminish NCUA's authority to require a credit union to divest its investments or assets for substantive safety and soundness reasons.
