§ 925.21 Issuance and form of stock.

(a) A Bank shall issue to each new member, as of the effective date of membership, stock in the member's name for the amount of stock purchased and paid for in full.

(b) If the member purchases stock in installments, the stock shall be issued in installments with the appropriate number of shares issued after each payment is made.

§ 925.22 Adjustments in stock holdings.

(a) *Adjustment in general.* A Bank may from time to time increase or decrease the amount of stock any member is required to hold.

(b)(1) *Annual adjustment.* A Bank shall calculate annually, in the manner

set forth in § 925.20(a) of this part, each member's required minimum holdings of stock in the Bank in which it is a member using calendar year-end financial data provided by the member to the Bank, pursuant to § 925.31(d) of this part, and shall notify each member of the adjustment. The notice shall clearly state that the Bank's calculation of each member's minimum stock holdings is to be used to determine the number of votes that the member may cast in that year's election of directors and shall identify the state within the district in which the member will vote. A member that does not agree with the Bank's calculation of the minimum stock requirement or with the identification of its voting state may request the Finance Board to review the Bank's determination. The Finance Board shall promptly determine the member's minimum required holdings and its proper voting state, which determination shall be final.

(2) *Redemption of excess shares.* If, after the annual adjustment required by paragraph (b)(1) of this section is made, the amount of stock that a member is required to hold is decreased, the Bank may, in its discretion and upon proper application of the member, retire such excess stock, and the Bank shall pay for each share upon surrender of the stock an amount equal to the par value thereof (except that if at any time the Finance Board finds that the paid-in capital of a Bank is or is likely to be impaired as a result of losses in or depreciation of the assets held, the Bank shall on the order of the Finance Board withhold from the amount to be paid in retirement of the stock a *pro rata* share of the amount of such impairment as determined by the Finance Board) or, at its election, the Bank may credit any part of such payment against the member's debt to the Bank.

(c) A member's stock holdings shall not be reduced under this section to an amount less than required by sections
