

Nuclear Regulatory Commission

§ 7.19

the maximum rate for a GG-15 under NRC's General Salary Schedule, unless a higher rate is mandated by statute or the Commission itself has determined that a higher rate is justified and necessary. The Commission may not delegate the responsibility for making a determination that such a higher rate of pay is necessary and justified for an NRC advisory committee member, and such a determination must be reviewed annually.

(3) An advisory committee member may not be paid at a rate higher than the daily equivalent of the maximum rate for a GG-18 under NRC's General Salary Schedule.

(c)(1) Each NRC advisory committee staff member may be paid at a rate that is the daily equivalent of a rate of NRC's General Salary Schedule in which the staff member's position would appropriately be placed.

(2) A staff member of an NRC advisory committee may not be paid at a rate higher than the daily equivalent of the maximum rate for a GG-15 under NRC's General Salary Schedule, unless the Chairman of the Commission determines that the staff member's position would appropriately be placed at a grade higher than GG-15; provided that in establishing rates of compensation, the Chairman shall comply with any applicable statutes, regulations, Executive Orders, and administrative guidelines.

(3) A determination to set the rate of pay of a staff position at a grade higher than GG-15 under the NRC's General Salary Schedule rate of pay shall be reviewed annually by the Chairman of the Commission.

(4) A Federal employee may serve as a staff member of an NRC advisory committee only with the knowledge of the Designated Federal Officer for the committee and the approval of the employee's direct supervisor. A staff member who is not otherwise a Federal employee shall be appointed in accordance with applicable agency procedures, following consultation with the advisory committee.

(d) The following factors shall be considered in determining an appropriate rate of pay for a consultant to an NRC advisory committee:

(1) The qualifications required of the consultant, and

(2) The significance, scope, and technical complexity of the work for which his services are required;

Provided that the rate of pay for an NRC advisory committee consultant may not be higher than the maximum rate of pay applicable to NRC consultants. In establishing such a rate of pay, NRC shall comply with any applicable statutes, regulations, Executive Orders, and administrative guidelines.

(e) A member or staff member of an NRC advisory committee engaged in the performance of duties away from his or her home or regular place of business may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703, title 5, United States Code, for persons employed intermittently in the Government service.

(f) Nothing in this section shall—

(1) Prevent any full-time Federal employee who provides services to an NRC advisory committee from receiving compensation at a rate at which he or she would otherwise be compensated as a full-time Federal employee.

(2) Prevent any individual who provides services to an NRC advisory committee, and who immediately before providing such services was a full-time Federal employee, from receiving compensation at a rate at which he or she was compensated as a full-time Federal employee.

(3) Affect a rate of pay or a limitation on a rate of pay that is specifically established by law or a rate of pay established under the NRC's General Salary Schedule and evaluation system (see NRC Manual).

§ 7.19 Handicapped members of advisory committees.

An NRC advisory committee member who is blind or deaf or otherwise handicapped may be provided services by a personal assistant for handicapped employees while performing advisory committee duties, if the member—

(a) Qualifies as a handicapped individual as defined by section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 794); and

§ 7.20

(b) Does not otherwise qualify for assistance under 5 U.S.C. 3102 by reason of being an employee of NRC.

§ 7.20 Conflict of interest reviews of advisory committee members' outside interests.

The Designated Federal Officer of each NRC advisory committee and the General Counsel shall review the interests and affiliations of each member of the Designated Federal Officer's advisory committee annually, and upon the commencement and termination of the member's appointment to the committee, for the purpose of ensuring that such appointment is consistent with the laws and regulations on conflict of interest applicable to that member.

§ 7.21 Cost of duplication of documents.

Copies of the records, reports, transcripts, minutes, appendices, working papers, drafts, studies, agenda, or other documents that were made available to or prepared for or by an NRC advisory committee shall be made available to any person at the actual cost of duplication prescribed in part 9 of this chapter. (For availability of information on advisory committees, see § 7.14.)

§ 7.22 Fiscal and administrative responsibilities.

(a) The Office of the Chief Financial Officer shall keep such records as will fully disclose the disposition of any funds that may be at the disposal of NRC advisory committees.

(b) The Office of the Chief Information Officer shall keep such records as will fully disclose the nature and extent of activities of NRC advisory committees.

(c) NRC shall provide support services (including staff support and meeting space) for each advisory committee established by or reporting to it unless the establishing authority provides otherwise. Where any such advisory committee reports to another agency in addition to NRC, only one agency shall be responsible for support services at any one time, and the establishing authority shall designate the

agency responsible for providing such services.

8.4 Interpretation by the General Counsel: AEC jurisdiction over nuclear facilities and materials under the Atomic Energy Act.

8.5 Interpretation by the General Counsel of § 73.55 of this chapter; illumination and physical search requirements.

AUTHORITY: Secs. 152, 161, 68 Stat. 944, 948, as amended; 42 U.S.C. 2182, 2201.

§ 8.1 Interpretation of section 152 of the Atomic Energy Act of 1954; opinion of the General Counsel.

(a) Inquiries have been received as to the applicability of the provisions of section 152 of the Atomic Energy Act of 1954 (68 Stat. 944) to inventions or discoveries made or conceived in the course of activities under licenses issued by the Atomic Energy Commission.

(b) In my [General Counsel, U.S. Atomic Energy Commission] opinion a license issued by the Atomic Energy Commission is not a "contract, subcontract, arrangement or other relationship with the Commission" as those terms are used in section 152 of the act. Hence, the mere fact that an invention or discovery is made by a licensee in the course of activities authorized by a license would not give the Commission rights under section 152 with respect to such invention or discovery. On the other hand, if a licensee has entered into a "contract, subcontract, arrangement or other relationship with the Commission," inventions or discoveries made or conceived by the licensee under the contract or other relationship would come within the purview of section 152.

(c) As used in this section, "license" means a license issued pursuant to Chapter 6 (Special Nuclear Material), 7
