## § 300.5

(b) Any manufacturer of a wool product or person subject to section 3 of the Act with respect to such wool product, residing in the United States, may apply to the Federal Trade Commission for a registered identification number for use by the applicant on the stamp, tag, label, or other mark of identification required under the Act.

(c) Registered identification numbers shall be used only by the person or firm to whom they are issued, and such numbers are not transferable or assignable. Registered identification numbers shall be subject to cancellation whenever any such number was procured or has been used improperly or contrary to the requirements of the Acts administered by the Federal Trade Commission, and regulations in this part, or when otherwise deemed necessary in the public interest. Registered identification numbers shall be subject to cancellation if the Commission fails to receive prompt notification of any change in name, business address, or legal business status of a person or firm to whom a registered identification number has been assigned, by application duly executed in the form set out in paragraph (e) of this section, reflecting the current name, business address, and legal business status of the person or firm.

(d) Registered identification numbers assigned under this section may be used on labels required in labeling products subject to the provisions of the Fur Products Labeling Act and Textile Fiber Products Identification Act, and numbers previously assigned by the Commission under such Acts may be used as and for the required name in labeling under this Act. When so used by the person or firm to whom assigned, the use of the numbers shall be construed as identifying and binding the applicant as fully and in all respects as though assigned under the specific Act for which it is used.

(e) The form to apply for a registered identification number or to update information pertaining to an existing number is found in §303.20(d) of this chapter. The form is available upon request from the Textile Section, Enforcement Division, Federal Trade Commission, 600 Pennsylvania Avenue,

NW, Washington, DC 20580, or on the Internet at <http://www.ftc.gov>.

### § 300.5 Required label and method of affixing.

(a) A label is required to be affixed to each wool product and, where required, to its package or container in a secure manner. Such label shall be conspicuous and shall be of such durability as to remain attached to the product and its package throughout any distribution, sale, resale and until sold and delivered to the ultimate consumer.

(b) Each wool product with a neck must have a label disclosing the country of origin affixed to the inside center of the neck midway between the shoulder seams or in close proximity to another label affixed to the inside center of the neck. The fiber content and RN or name of the company may be disclosed on the same label as the country of origin or on another conspicuous and readily accessible label or labels on the inside or outside of the garment. On all other wool products, the required information shall be disclosed on a conspicuous and readily accessible label or labels on the inside or outside of the product. The country of origin disclosure must always appear on the front side of the label. Other required information may appear either on the front side or the reverse side of a label, provided that the information is conspicuous and readily accessible.

(c) In the case of hosiery products, this section does not require affixing a label to each hosiery product contained in a package if, (1) such hosiery products are intended for sale to the ultimate consumer in such package, (2) such package has affixed to it a label bearing the required information for the hosiery products contained in the package, and (3) the information on the label affixed to the package is equally applicable to each wool product contained therein.
