

§ 455.2

16 CFR Ch. I (1-1-02 Edition)

(2) To misrepresent the terms of any warranty offered in connection with the sale of a used vehicle; and

(3) To represent that a used vehicle is sold with a warranty when the vehicle is sold without any warranty.

(b) It is an unfair act or practice for any used vehicle dealer, when that dealer sells or offers for sale a used vehicle in or affecting commerce as *commerce* is defined in the Federal Trade Commission Act:

(1) To fail to disclose, prior to sale, that a used vehicle is sold without any warranty; and

(2) To fail to make available, prior to sale, the terms of any written warranty offered in connection with the sale of a used vehicle.

(c) The Commission has adopted this Rule in order to prevent the unfair and deceptive acts or practices defined in paragraphs (a) and (b). It is a violation of this Rule for any used vehicle dealer to fail to comply with the requirements set forth in §§ 455.2 through 455.5 of this part. If a used vehicle dealer complies with the requirements of §§ 455.2 through 455.5 of this part, the dealer does not violate this Rule.

(d) The following definitions shall apply for purposes of this part:

(1) *Vehicle* means any motorized vehicle, other than a motorcycle, with a gross vehicle weight rating (GVWR) of less than 8500 lbs., a curb weight of less than 6,000 lbs., and a frontal area of less than 46 sq. ft.

(2) *Used vehicle* means any vehicle driven more than the limited use necessary in moving or road testing a new vehicle prior to delivery to a consumer, but does not include any vehicle sold only for scrap or parts (title documents surrendered to the State and a salvage certificate issued).

(3) *Dealer* means any person or business which sells or offers for sale a used vehicle after selling or offering for sale five (5) or more used vehicles in the previous twelve months, but does not include a bank or financial institution, a business selling a used vehicle to an employee of that business, or a lessor

selling a leased vehicle by or to that vehicle's lessee or to an employee of the lessee.

(4) *Consumer* means any person who is not a used vehicle dealer.

(5) *Warranty* means any undertaking in writing, in connection with the sale by a dealer of a used vehicle, to refund, repair, replace, maintain or take other action with respect to such used vehicle and provided at no extra charge beyond the price of the used vehicle.

(6) *Implied warranty* means an implied warranty arising under State law (as modified by the Magnuson-Moss Act) in connection with the sale by a dealer of a used vehicle.

(7) *Service contract* means a contract in writing for any period of time or any specific mileage to refund, repair, replace, or maintain a used vehicle and provided at an extra charge beyond the price of the used vehicle, provided that such contract is not regulated in your State as the business of insurance.

(8) *You* means any dealer, or any agent or employee of a dealer, except where the term appears on the window form required by § 455.2(a).

§ 455.2 Consumer sales—window form.

(a) *General duty.* Before you offer a used vehicle for sale to a consumer, you must prepare, fill in as applicable and display on that vehicle a "Buyers Guide" as required by this Rule.

(1) The Buyers Guide shall be displayed prominently and conspicuously in any location on a vehicle and in such a fashion that both sides are readily readable. You may remove the form temporarily from the vehicle during any test drive, but you must return it as soon as the test drive is over.

(2) The capitalization, punctuation and wording of all items, headings, and text on the form must be exactly as required by this Rule. The entire form must be printed in 100% black ink on a white stock no smaller than 11 inches high by 7¼ inches wide in the type styles, sizes and format indicated.

IMPORTANT: The information on this form is part of any contract to buy this vehicle. Removal of this label before consumer purchase (except for purpose of test-driving) is a violation of federal law (16 C.F.R. 455).

When filling out the form, follow the directions in (b) through (e) of this section and § 455.4 of this part.

(b) *Warranties*—(1) *No Implied Warranty*—“As Is”/No Warranty. (i) If you offer the vehicle without any implied warranty, i.e., “as is,” mark the box provided. If you offer the vehicle with implied warranties only, substitute the disclosure specified below, and mark the box provided. If you first offer the vehicle “as is” or with implied warranties only but then sell it with a war-

ranty, cross out the “As Is—No Warranty” or “Implied Warranties Only” disclosure, and fill in the warranty terms in accordance with paragraph (b)(2) of this section.

(ii) If your State law limits or prohibits “as is” sales of vehicles, that State law overrides this part and this rule does not give you the right to sell “as is.” In such States, the heading “As Is—No Warranty” and the paragraph immediately accompanying that phrase must be deleted from the form,

Federal Trade Commission

§ 455.2

and the following heading and paragraph must be substituted. If you sell vehicles in States that permit “as is” sales, but you choose to offer implied warranties only, you must also use the following disclosure instead of “As Is—No Warranty”:¹

IMPLIED WARRANTIES ONLY

This means that the dealer does not make any specific promises to fix things that need repair when you buy the vehicle or after the time of sale. But, State law “implied warranties” may give you some rights to have the dealer take care of serious problems that were not apparent when you bought the vehicle.

(2) *Full/Limited Warranty.* If you offer the vehicle with a warranty, briefly describe the warranty terms in the space provided. This description must include the following warranty information:

(i) Whether the warranty offered is “Full” or “Limited.”² Mark the box next to the appropriate designation.

(ii) Which of the specific systems are covered (for example, “engine, transmission, differential”). You cannot use shorthand, such as “drive train” or “power train” for covered systems.

(iii) The duration (for example, “30 days or 1,000 miles, whichever occurs first”).

(iv) The percentage of the repair cost paid by you (for example, “The dealer will pay 100% of the labor and 100% of the parts.”)

(v) If the vehicle is still under the manufacturer’s original warranty, you may add the following paragraph below the “Full/Limited Warranty” disclosure: **MANUFACTURER’S WARRANTY STILL APPLIES.** The manufacturer’s original warranty has not expired on the vehicle. Consult the manufacturer’s warranty booklet for details as to warranty coverage, service location, etc.

¹See § 455.5 n. 4 for the Spanish version of this disclosure.

²A “Full” warranty is defined by the Federal Minimum Standards for Warranty set forth in 104 of the Magnuson-Moss Warranty Act, 15 U.S.C. 2304 (1975). The Magnuson-Moss Warranty Act does not apply to vehicles manufactured before July 4, 1975. Therefore, if you choose not to designate “Full” or “Limited” for such cars, cross out both designations, leaving only “Warranty”.

If, following negotiations, you and the buyer agree to changes in the warranty coverage, mark the changes on the form, as appropriate. If you first offer the vehicle with a warranty, but then sell it without one, cross out the offered warranty and mark either the “As Is—No Warranty” box or the “Implied Warranties Only” box, as appropriate.

(3) *Service contracts.* If you make a service contract (other than a contract that is regulated in your State as the business of insurance) available on the vehicle, you must add the following heading and paragraph below the “Full/Limited Warranty” disclosure and mark the box provided.³

Service Contract

A service contract is available at an extra charge on this vehicle. If you buy a service contract within 90 days of the time of sale, State law “implied warranties” may give you additional rights.

(c) *Name and Address.* Put the name and address of your dealership in the space provided. If you do not have a dealership, use the name and address of your place of business (for example, your service station) or your own name and home address.

(d) *Make, Model, Model Year, VIN.* Put the vehicle’s name (for example, “Chevrolet”), model (for example, “Vega”), model year, and Vehicle Identification Number (VIN) in the spaces provided. You may write the dealer stock number in the space provided or you may leave this space blank.

(e) *Complaints.* In the space provided, put the name and telephone number of the person who should be contacted if any complaints arise after sale.

(f) *Optional Signature Line.* In the space provided for the name of the individual to be contacted in the event of complaints after sale, you may include a signature line for a buyer’s signature. If you opt to include a signature line, you must include a disclosure in immediate proximity to the signature line stating: “I hereby acknowledge receipt of the Buyers Guide at the closing of

§ 455.3

this sale.” You may pre-print this language on the form if you choose.

[49 FR 45725, Nov. 19, 1984, as amended at 60 FR 62205, Dec. 5, 1995]

§ 455.3 Window form.

(a) *Form given to buyer.* Give the buyer of a used vehicle sold by you the window form displayed under § 455.2 containing all of the disclosures required by the Rule and reflecting the warranty coverage agreed upon. If you prefer, you may give the buyer a copy of the original, so long as that copy accurately reflects all of the disclosures required by the Rule and the warranty coverage agreed upon.

(b) *Incorporated into contract.* The information on the final version of the window form is incorporated into the contract of sale for each used vehicle you sell to a consumer. Information on the window form overrides any contrary provisions in the contract of sale. To inform the consumer of these facts, include the following language conspicuously in each consumer contract of sale:

The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.

§ 455.4 Contrary statements.

You may not make any statements, oral or written, or take other actions which alter or contradict the disclosures required by §§ 455.2 and 455.3. You may negotiate over warranty coverage,

16 CFR Ch. I (1–1–02 Edition)

as provided in § 455.2(b) of this part, as long as the final warranty terms are identified in the contract of sale and summarized on the copy of the window form you give to the buyer.

§ 455.5 Spanish language sales.

If you conduct a sale in Spanish, the window form required by § 455.2 and the contract disclosures required by § 455.3 must be in that language. You may display on a vehicle both an English language window form and a Spanish language translation of that form. Use the following translation and layout for Spanish language sales:⁴

⁴Use the following language for the “Implied Warranties Only” disclosure when required by § 455.2(b)(1):

Garantías implícitas solamente

Este término significa que el vendedor no hace promesas específicas de arreglar lo que requiera reparación cuando usted compra el vehículo o después del momento de la venta. Pero, las “garantías implícitas” de la ley estatal pueden darle a usted algunos derechos y hacer que el vendedor resuelva problemas graves que no fueron evidentes cuando usted compró el vehículo.

Use the following language for the “Service Contract” disclosure required by § 455.2(b)(3):

CONTRATO DE SERVICIO. Este vehículo tiene disponible un contrato de servicio a un precio adicional. Pida los detalles en cuanto a cobertura, deducible, precio y exclusiones. Si adquiere usted un contrato de servicio dentro de los 90 días del momento de la venta, las “garantías implícitas” de acuerdo a la ley del estado pueden concederle derechos adicionales.
