

§ 101-20.105-2

which involve personal injury or property damage in GSA-assigned space will be reported immediately to the GSA buildings manager.

(e) Each occupant agency shall appoint a safety, health and fire protection liaison to represent the occupant agency with GSA.

§ 101-20.105-2 Correction of hazardous conditions.

(a) GSA is responsible for correcting hazards associated with the condition of the space it assigns, including hazards related to building features, fixtures, and systems. GSA is also responsible for correcting hazards in common, joint, and public use spaces. Occupant agencies are responsible for correcting hazards associated with their use of assigned space, including those related to the operation of their program equipment.

(b) Hazardous conditions within the occupant agency's responsibility to correct shall be corrected within 30 workdays when possible. Imminently dangerous conditions shall be corrected immediately upon their discovery. If more than 30 workdays are required for correction, an abatement plan shall be prepared in accordance with 29 CFR part 1960. Corrective alteration measures may be undertaken in accordance with §101-20.106, Reimbursable services.

(c) Conditions within GSA's responsibility to correct shall be identified, documented and presented to the GSA buildings manager. Imminently dangerous conditions shall be corrected immediately upon their discovery. When an imminently dangerous condition as defined by 29 CFR 1960.28 exists, this report shall be made by telephone. Upon receipt of a properly documented report of hazardous conditions, GSA will promptly investigate, determine a plan to resolve the problems, and inform the occupant agency. Such reports shall state the hazardous condition and cite references to specific OSHA standards violated. In cases involving health problems, agencies shall provide to GSA an industrial hygienist's report of an investigation of the alleged problem, which must include a description of the problem, results of testing, and recommendations for correction. When resolution will take

more than 30 workdays, GSA shall prepare an abatement plan in accordance with 29 CFR part 1960, shall furnish this plan to the occupant agency for review and subsequent follow-up, and shall give priority to prompt abatement of the conditions.

§ 101-20.105-3 Smoking.

(a) Pursuant to Executive Order 13058, "Protecting Federal Employees and the Public From Exposure to Tobacco Smoke in the Federal Workplace" (3 CFR, 1997 Comp., p. 216), it is the policy of the executive branch to establish a smoke-free environment for Federal employees and members of the public visiting or using Federal facilities. The smoking of tobacco products is prohibited in all interior space owned, rented, or leased by the executive branch of the Federal Government, and in any outdoor areas under executive branch control in front of air intake ducts.

(b) *Exceptions.* (1) The policy does not apply in designated smoking areas that are enclosed and exhausted directly to the outside and away from air intake ducts, and are maintained under negative pressure (with respect to surrounding spaces) sufficient to contain tobacco smoke within the designated area. Agency officials shall not require workers to enter such areas during business hours while smoking is ongoing.

(2) The policy does not extend to any residential accommodation for persons voluntarily or involuntarily residing, on a temporary or long term basis, in a building owned, leased, or rented by the Federal Government.

(3) The policy does not extend to those portions of federally owned buildings leased, rented, or otherwise provided in their entirety to nonfederal parties.

(4) The policy does not extend to places of employment in the private sector or in other nonfederal governmental units that serve as the permanent or intermittent duty station of one or more Federal employees.

(5) Agency heads may establish limited and narrow exceptions that are necessary to accomplish agency missions. Such exceptions must be in writing, approved by the agency head, and
