## § 101-47.303-2

exception of Government-owned machinery and equipment, which are fixtures being used by a contractor-operator, where such machinery and equipment will be sold to the contractor-operator.

(3) Standing timber and embedded gravel, sand, stone and underground water to be disposed of without the underlying land.

(b) GSA may act as the disposal agency for the type of property described in paragraphs (a) (1) and (2) of this section, whenever requested by the holding agency to perform the disposal functions. Where GSA acts as the disposal agency for the disposal of leases and similar real estate interests as described in paragraph (a)(1) of this section, the holding agency nevertheless shall continue to be responsible for the payment of the rental until the lease is terminated and for the payment of any restoration or other direct costs incurred by the Government as an incident to the termination. Likewise, where GSA acts as disposal agency for the disposal of fixtures, structures, and improvements as described in paragraph (a)(2) of this section, the holding agency nevertheless shall continue to be responsible for payment of any demolition and removal costs not offset by the sale of the property.

### § 101-47.302-3 General Services Administration.

GSA is the disposal agency for all real property and related personal property not covered by the above designations or by disposal authority delegated by the Administrator of General Services in specific instances.

### § 101-47.303 Responsibility of disposal agency.

#### § 101-47.303-1 Classification.

Each surplus property, or, if the property is subdivided, each unit of property shall be classified by the disposal agency to determine the methods and conditions applicable to the disposal of the property. Classification shall be according to the estimated

highest and best use for the property. The property may be reclassified from time to time by the disposal agency or by GSA whenever such action is deemed appropriate.

### § 101-47.303-2 Disposals to public agencies.

The disposal agency shall comply with the provisions of Executive Order 12372 and 41 CFR subpart 101-6.21, which enables a State to establish the single point of contact process or other appropriate procedures to review and comment on the compatibility of a proposed disposal with State, regional and local development plans and programs. When a single point of contact transmits a State review process recommendation, the Federal agency receiving the recommendation must either accept the recommendation; reach a mutually agreeable solution with the party(s) preparing the recommendation; or provide the single point of contact with a written explanation for not accepting the recommendation or reaching a mutually agreeable solution. If there is nonaccommodation, the agency is generally required to wait 10 calendar days after receipt, by the single point of contact, of an explanation before taking final action. The single point of contact is presumed to have received written notification 5 calendar days after the date of mailing of such notification. The 10-day waiting period may be waived if the agency determines that because of unusual circumstances this delay is not feasible.

(a) Whenever property is determined to be surplus, the disposal agency shall, on the basis of the information given in §101-47.4905, list the public agencies eligible under the provisions of the statutes referred to above to procure the property or portions thereof, except that such listing need not be made with respect to:

(1) Any such property when the determination of the property as surplus is conditioned upon disposal limitations which would be inconsistent with disposal under the statutes authorizing disposal to eligible public agencies; or

(2) Any such property having an estimated fair market value of less than \$1,000 except where the disposal agency
