or his designee should authorize any other method of obtaining an estimate of the fair market value of the property or the fair annual rental he may deem to be proper.

(c) Negotiated sales to public bodies under 40 U.S.C. 484(e)(3)(H) will be considered only when the disposal agency has made a determination that a public benefit will result from the negotiated sale which would not be realized from a competitive sale disposal. The offer to purchase and the conveyance document concerning such negotiated sales shall contain an excess profits covenant. A standard Excess Profits Covenant for Negotiated Sales to Public Bodies is illustrated in §101-47.4908. The standard covenant is provided as a guide, and appropriate modifications may be made provided that its basic purpose is retained. The disposal agency shall monitor the property involved and inspect records related thereto as necessary to ensure compliance with the terms and conditions of the sale and may take any actions which it deems reasonable and prudent to recover any excess profits realized through the resale of the property.

(d) The annual report of the Administrator under section 212 of the Act shall contain or be accompanied by a listing and description of any negotiated disposals of surplus real property having an estimated fair market value of over \$15,000, other than disposals for which an explanatory statement has been transmitted under §101-47.304-12.
