

§ 101-5.203-7

security needs, confidentiality requirements, and/or certain quality standards will be made available to occupant agencies when use of such equipment is justified. Each agency must provide justification for approval of the GSA regional printing and distribution activity before acquiring space and/or electrical service from the building's manager. Otherwise, as agreed by the user agencies, GSA will not make available space for duplicating equipment, or provide other support services for such equipment in Federal buildings where use of that equipment would duplicate the services provided by the centralized services plant.

§ 101-5.204 Operation of centralized field reproduction facilities.

§ 101-5.204-1 Continuity of service.

Each new centralized field reproduction facility will be established in sufficient time to assure occupants moving into the building that there will be no interruption of duplicating services in support of their program activities.

[56 FR 33875, July 24, 1991]

§ 101-5.204-2 Announcement of centralized services.

The appropriate GSA regional office will announce the availability of a centralized field reproduction facility approximately 90 days in advance of its activation, including:

- (a) The date service will be available;
- (b) The services which will be furnished, including technical assistance on reproduction problems;
- (c) A current price schedule;

41 CFR Ch. 101 (7-1-02 Edition)

(d) Procedures for obtaining service; and

(e) Billing procedures.

§ 101-5.204-3 Appraisal of operations.

(a) The appropriate GSA regional office will appraise continually the operation of each centralized field reproduction facility. Proposals to expand, modify, or discontinue a centralized activity shall be made to the Director, Reproduction Services Division, in the Central Office, and must be supported by all pertinent information.

(b) The Administrator of General Services will give a minimum of 120 days notice to the heads of agencies concerned before any action to curtail or discontinue centralized services is taken.

[56 FR 33875, July 24, 1991]

§ 101-5.205 Designation of other agencies to operate plants.

§ 101-5.205-1 General.

The Administrator of General Services, in accordance with 101-5.105(b), may designate an agency other than GSA to operate a centralized field reproduction facility. Such designation will be made only by mutual agreement with the agency head concerned.

[56 FR 33875, July 24, 1991]

§ 101-5.205-2 Prerequisites to designation of other agencies.

The following conditions are to be met by an agency designated by GSA to operate a centralized field reproduction facility:

(a) Generally, prices charged to Government agencies using the centralized field facility should be no higher than those specified on the currently effective nationwide uniform General Services Administration Reproduction Services Price Schedule. In special circumstances, deviations from the Price Schedule may be developed jointly by GSA and the designated agency.

(b) The designated agency shall accept responsibility for implementing the determination of the Administrator of General Services to establish a centralized reproduction facility, issued in accordance with 101-5.104-7
