

§ 101-5.203-7

security needs, confidentiality requirements, and/or certain quality standards will be made available to occupant agencies when use of such equipment is justified. Each agency must provide justification for approval of the GSA regional printing and distribution activity before acquiring space and/or electrical service from the building's manager. Otherwise, as agreed by the user agencies, GSA will not make available space for duplicating equipment, or provide other support services for such equipment in Federal buildings where use of that equipment would duplicate the services provided by the centralized services plant.

§ 101-5.204 Operation of centralized field reproduction facilities.

§ 101-5.204-1 Continuity of service.

Each new centralized field reproduction facility will be established in sufficient time to assure occupants moving into the building that there will be no interruption of duplicating services in support of their program activities.

[56 FR 33875, July 24, 1991]

§ 101-5.204-2 Announcement of centralized services.

The appropriate GSA regional office will announce the availability of a centralized field reproduction facility approximately 90 days in advance of its activation, including:

- (a) The date service will be available;
- (b) The services which will be furnished, including technical assistance on reproduction problems;
- (c) A current price schedule;

§ 101-5.204-3 Appraisal of operations.

(a) The appropriate GSA regional office will appraise continually the operation of each centralized field reproduction facility. Proposals to expand, modify, or discontinue a centralized activity shall be made to the Director, Reproduction Services Division, in the Central Office, and must be supported by all pertinent information.

(b) The Administrator of General Services will give a minimum of 120 days notice to the heads of agencies concerned before any action to curtail or discontinue centralized services is taken.

§ 101-5.205 Designation of other agencies to operate plants.

§ 101-5.205-1 General.

The Administrator of General Services, in accordance with 101-5.105(b), may designate an agency other than GSA to operate a centralized field reproduction facility. Such designation will be made only by mutual agreement with the agency head concerned.

[56 FR 33875, July 24, 1991]

§ 101-5.205-2 Prerequisites to designation of other agencies.

The following conditions are to be met by an agency designated by GSA to operate a centralized field reproduction facility:

(a) Generally, prices charged to Government agencies using the centralized field facility should be no higher than those specified on the currently effective nationwide uniform General Services Administration Reproduction Services Price Schedule. In special circumstances, deviations from the Price Schedule may be developed jointly by GSA and the designated agency.

(b) The designated agency shall accept responsibility for implementing the determination of the Administrator of General Services to establish a centralized reproduction facility, issued in accordance with 101-5.104-7

Federal Property Management Regulations

§ 101-5.303

and 101-5.203-7, including the provisions for transfer of excess equipment and other procedures and conditions specified in that determination. Necessary deviations from the determination may be developed jointly by GSA and the designated agency.

[56 FR 33875, July 24, 1991]

§ 101-5.205-3 Actions prior to operation of facilities.

The following actions are to be taken by an agency designated by GSA to operate a centralized field reproduction facility prior to operations of such a facility:

(a) The designated agency shall assist the appropriate GSA regional office in the determination of firm space needs, including any special requirements. Space needs will be furnished by the GSA regional Administrative Services Division, Printing and Distribution Branch, before forwarding it to the Public Buildings Service, GSA, for preparation of final working drawings in the Federal building where the plant is to be located.

(b) Arrangements shall be made by the designated agency, in cooperation with GSA, for the pooling of equipment and the necessary absorption of those employees of affected agencies engaged in duplicating work, as prescribed in § 101-5.203-6.

(c) After coordination with the designated operating agency to obtain its current price schedule, procedures for obtaining service, and billing procedures, GSA will announce the availability of the centralized field reproduction facility in the manner prescribed in 101-5.204-2.

Subpart 101-5.3—Federal Employee Health Services

AUTHORITY: Chapter 865, 60 Stat. 903; 5 U.S.C. 7901.

SOURCE: 30 FR 12883, Oct. 9, 1965, unless otherwise noted.

§ 101-5.300 Scope of subpart.

This subpart 101-5.3 states the objective, guiding principles, criteria, and general procedures in connection with the establishment and operation of Federal employee health services in buildings managed by GSA.

§ 101-5.301 Applicability.

This subpart 101-5.3 is applicable to all Federal agencies which occupy space in or are prospective occupying agencies of a building or group of adjoining buildings managed by GSA.

§ 101-5.302 Objective.

It is the objective of GSA to provide or arrange for appropriate health service programs in all Government-owned and leased buildings, or groups of adjoining buildings, which it manages where the building population warrants, where other Federal medical facilities are not available, and, where the number of the occupying agencies indicating a willingness to participate in such a program on a reimbursable basis makes it financially feasible.

§ 101-5.303 Guiding principles.

The following principles will control the scope of the health services to be provided in keeping with the objective:

(a) Employees who work in groups of 300 or more, counting employees of all departments or agencies who are scheduled to be on duty at one time in the same building or group of buildings in the same locality will constitute the minimum number of employees required to warrant the establishment of a health service of a scope specified in § 101-5.304.

(b) As an exception to paragraph (a) of this section, health services of the scope specified in § 101-5.304 may be provided for employees who work in
